Service category **11**

II.1.4) Is it a framework agreement ? * NO YES

II.1.5) Title attributed to the contract by the contracting authority *

A THEMATIC STUDY TO ANALYSE POLICY MEASURES TO PROMOTE ACCESS TO INFORMATION TECHNOLOGY AS A MEANS OF COMBATING SOCIAL EXCLUSION

II.1.6) Description/object of the contract (*use continuation sheet if necessary*)

The aim of this contract is five fold:

- to identify clearly the risks of increased poverty and social exclusion that the rapid growth of the knowledge society and Information and Communication Technologies can bring and to identify those most at risk in this regard;
- to identify new opportunities for preventing and overcoming poverty and social exclusion that are created by the rapid growth of the knowledge society and Information and Communication Technologies;
- to identify policy measures and programmes that are successful in helping to avoid the new risks of exclusion arising from developments in Information and Communication Technologies and in what particular national or local context;
- to identify policies and programmes that are effective in using the potential for Information and Communication Technologies to promote increased social inclusion of those at risk of poverty and social exclusion, particularly those at high risk;
- to outline the key elements necessary for the development of more coherent and strategic and integrated approaches which ensure that policies in relation to Information and Community Technologies reinforce other policies to promote social inclusion, particularly in the context of developing National Action Plans to promote social inclusion.

II.1.7) Site or location of works, place of delivery or performance

* Field not indispensable for publication

designated as lead Contractor, and must ensure full responsibility towards the Commission as regards both the tender and the future contract – if awarded to them.

III.2) CONDITIONS FOR PARTICIPATION

III.2.1) Information concerning the personal situation of the contractor, supplier or service provider and information and formalities necessary for the evaluation of the minimum economic, financial and technical capacity required

III.2.1.1) Legal position – means of proof required

Regulation

Article 93 of the Financial Regulation:

1. Candidates or tenderers shall be excluded from participation in a procurement procedure if:
 - (a) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
 - (b) they have been convicted of an offence concerning their professional conduct by a judgement which has the force of res judicata;
 - (c) they have been guilty of grave professional misconduct proven by any means which the contracting authority can justify;
 - (d) they have not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they are established or with those of the country of the contracting authority or those of the country where the contract is to be performed;
 - (e) they have been the subject of a judgement which has the force of res judicata for fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the Communities,' financial interests;
 - (f) following another procurement procedure or grant award procedure financed by the Community budget, they have been declared to be in serious breach of contract for failure to comply with their contractual obligations.
2. Candidates or tenderers must certify that they are not in one of the situations listed in paragraph 1.

Article 134 of the Rule for Implementation – Evidence

1. The contracting authority shall accept, as satisfactory evidence that the candidate or tenderer is not in one of the situations described in point (a), (b) or (e) of Article 93(1) of the Financial Regulation, production of a recent extract from the judicial record or, failing that, a recent equivalent document issued by a judicial or administrative authority in the country of origin or provenance showing that those requirements are satisfied.
2. The contracting authority shall accept, as satisfactory evidence that the candidate or tenderer is not in the situation described in point (d) of Article 93(1) of the Financial Regulation, a recent certificate issued by the competent authority of the State concerned.
Where no such certificate is issued in the country concerned, it may be replaced by a sworn or, failing that, a solemn statement made by the interested party before a judicial or administrative authority, a notary or a qualified professional body in his country of origin or provenance.
3. Depending on the national legislation of the country in which the tenderer or candidate is established, the documents referred to in paragraphs 1 and 2 shall relate to legal persons and/or natural persons including, where considered necessary by the contracting authority, company directors or any person with powers of representation, decision-making or control in relation to the candidate or tenderer.

Article 94 of the Financial Regulation:

Contracts may not be awarded to candidates or tenderers who, during the procurement procedure:

* *Field not indispensable for publication*

*Standard Form 1 – EN
4/11*

(a) are subject to a conflict of interest;

(b) __ are guilty of misrepresentation in supplying the information required by the contracting authority as a condition of participation in the contract procedure or fail to supply this information

See Annex I (which may be used as a checklist) for the supporting documents accepted by the European Commission to be provided by applicants, tenderers or bidders.

Any bid not including the supporting documents provided for in this Annex will be excluded.

III.2.1.2) Economic and financial capacity – means of proof required

Sound financial position of the consultant/researchers. Full set of audited financial statements and accounts-balance sheet and profit and loss account for the past three years. Annual budget of the last two years for a semi-public or non-profit organisation.

III.2.1.3) Technical capacity – means of proof required

- A minimum experience and expertise of five years in the fields of policy research and analysis on issues of poverty and social exclusion, part of which should have been focussed on issues in relation to the rapid growth of the knowledge society and Information and Communication Technologies - demonstrated by providing a list of relevant policy analysis and research projects.
- Details of educational and professional qualifications of the person(s) undertaking the study. The project director will require a deep knowledge in relation to ICT issues and social inclusion in Member States and of the different policy approaches being adopted; an extensive knowledge of the European and international literature and data on the links between access to the knowledge society and social inclusion; a proven track record in the field of policy analysis, particularly in relation to poverty and social and the impact of ICTs; a good understanding of the different policies in relation to the knowledge society and ICTs in Member States that enhance or worsen social inclusion particularly for those most at risk of poverty social exclusion.
- The consultants/researchers should have no-conflict of interest and be completely independent. A statement of independence should be included in the offer.
