(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.

(1) Source: Council Regulation (EC) n°2964/95 of 20 December 1995.

(2) Note: The cif price includes the fob price (the price actually invoiced at the port of loading), the cost of transport, insurance and certain charges linked to crude oil transfer operations.

- For Romania November-2016 and December-2016 are estimations derived from Eurostat data.

(3) Données confidentielles / confidential data / vertrauliche Daten

Due to confidentiality Czech Republic is excluded from EU(28) as from May 2015.

Due to confidentiality, Germany does not report import volumes and prices from pipelines since 2013.
