EU ENERGY STAR programme : Displays specification v6 (obsolete)

VHK170602 (update)

— Obsolete EU ENERGY STAR qualified displays

This document lists the products that are qualified under the obsolete ENERGY STAR Display specification 6.0 and placed as such in the European Union market. In no event shall ENERGY STAR or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

EU ENERGY STAR programme : Displays specification v6 (obsolete)

VHK170602 (update)

— Obsolete EU ENERGY STAR qualified displays

This document lists the products that are qualified under the obsolete ENERGY STAR Display specification 6.0 and placed as such in the European Union market. In no event shall ENERGY STAR or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.
