EU ENERGY STAR programme : Displays specification v5 (obsolete)
— registered EU ENERGY STAR Manufacturers and Products

GG20140714

This document lists only the manufacturers and products that are directly registered with the EC in the EU ENERGY STAR programme under the obsolete ENERGY STAR display specification 5. In no event shall ENERGY STAR or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

EU ENERGY STAR programme : Displays specification v5 (obsolete)

GG20140714

— registered EU ENERGY STAR Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the EC in the EU ENERGY STAR programme under the obsolete ENERGY STAR display specification 5. In no event shall ENERGY STAR or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.
