

## DRAFT AGENDA

### The role of low carbon fuels in decarbonising transport: the emerging consensus from international initiatives

10-11 April 2018,

Brussels

#### Tuesday 10 April

**08.45-09.30 Opening Session**

Welcome by DG ENER

Welcome and setting the scene by Biofuture Platform, below50, IRENA & ART Fuels Forum

**09.30-10.30 Global Ambitions & Global Challenges (15 min each)**

IRENA (REmap); IEA (Bioenergy Roadmap 2017); FAO

10.15-10.30 Q & A

**10.30-11.00 Coffee Break**

**11.00-12.00 Panel Discussion: Balancing Global Ambitions with Global Challenges for biofuels**

Panellists: EC, Biofuture Platform, below50, IRENA, ART Fuels Forum, IEA & FAO

**12.00-13.00 Lunch**

**13.00-14.00 Panel Discussion: Enlarging the Portfolio for Sustainable Biomass Supply**

Panellists: EC, IRENA, FAO & Climate Foundation

**14.00-15.00 Panel Discussion: Leading developments in the low carbon technologies**

Panellists: ART Fuels Forum, ETIP Bioenergy, Leaders of Sustainable Biofuels, Bloomberg & IEA

**15.00-15.30 Coffee Break & networking**

**15.30-16.30 National experiences in policy for sustainable transport and biomass (15 min each)**

Brazil, USA, Finland, The Netherlands

**16.30-17.30 Policy implications**

DG ENER on RED

Parliament Rapporteur

Industry's perspectives

Bulgarian Presidency of the Council of the EU

**17.30-18.30 Panel discussion: Convergence of EU policies with International Activities and National Experiences**

Panellists: EC, MEP (RED II Rapporteur), Presidency of the Council of the EU, Biofuture Platform, below50, IRENA, ART Fuels Forum, IEA & FAO,

**18.30-20.30 Dinner offered by the European Commission**

**Wednesday 11 April**

**09.00-09.30 Keynote Presentation**

09.20-09.30 Q&A

**09.30-10.45 Panel discussion: Are we on the right path?**

Brazil, USA, Finland, The Netherlands, Biofuture Platform, below50, IRENA, IEA FAO

**10.45-11.15 Coffee Break**

**11.15-12.00 International Collaboration for Sustainable Biofuel Scale-up**

Biofuture Platform, below50, IEA Bioenergy TCP

11.55-12.00 Q&A

**12.00-13.00 Panel discussion: aviation**
