DG AGRI, Rural Development, Monitoring (2014-2020) – Implementation Report Tables, Working Document for the Rural Development Committee Updated version, May 2014Table B2 - Prototype of table with realised LEADER (AIR) – CUMULATIVE

Note	Although LDS projects can contribute to different focus areas, LEADER would be entirely programmed under the focus area 6B. However LDS projects would be monitored by focus area Here is **the minimum output related reporting required from the EC related to LEADER.**			output realised (2014-Year N cumul)														Total
				P2		**P3**		**P4**	**P5**					**P6**			
	Needs to be monitored and reported by priority and focus area			2a	2b	3a	3b	a b c	5a	5b	5c	5d	5e	6a	6b	6c	
19 (42)	**Number of LAGs selected**																
	Population covered by LAG																
	Number of LAGs multi funds																
	Nr of projects																
	Type of project promoters (nr)	NGOs															
		LAGs															
		Public bodies															
		SMEs															
		others															
	Nr of cooperation projects	cooperation inter-territorial															
		cooperation transnational															
	Unique nr of LAGs involved in cooperation project	cooperation inter-territorial															
		cooperation transnational															
	Total public expenditure (€)	Preparatory support (19.1)	support for preparation of LDS														
			LEADER start-up kit														
		Support for implementation of operations under the community-led local development strategy (19.2)															
		Preparation and implementation of cooperation activities of the local action group preparatory (19.3)	preparatory technical support for cooperation														
			support for inter-territorial cooperation (projects)														
			support for transnational cooperation (projects)														
		Support for running costs and animation (19.4)	support for running costs of the LDS														
			support for animation of the LDS														

Output indicators definitions for LEADER

Source: **DG AGRI, Rural Development Monitoring (2014-2020) – Implementation Report Tables, Working Document for the Rural Development Committee Updated version, May 2014**

O.18 Population covered by LAG

Title and definition	Measures concerned	Source of data, timing of reporting
Population covered by LAG	19 (art. 32 CPR)	Administrative data
This indicator should not be attributed to Focus Area		

O.19 Number of LAG selected

Title and definition	Measures concerned	Source of data, timing of reporting
Number of LAGs selected and Number of LAGs receiving multi-funds	19 (art. 32 CPR, 42 RD)	Administrative data Reported when completed
This indicator should not be attributed to Focus Area		

O.20 Number of LEADER projects supported

Title and definition	Measures concerned	Source of data, timing of reporting
Nbr. of LEADER projects supported	19 (art. 35 1b CPR)	Reporting from the LAG; Reported when completed
Each project should be attributed to the most relevant Focus Area!		

O.21 Number of cooperation project supported

Title and definition	Measures concerned	Source of data, timing of reporting
No of cooperation projects supported broken down by inter-territorial cooperation and transnational cooperation	19 (art. 35 1 c CPR)	Administrative data, feedback from LAG; Reported when completed
This indicator should not be attributed to Focus Area		

O.22 Number and type of operation promoters

Title and definition	Measures concerned	Source of data, timing of reporting
Nbr and type of operation promoters/project holders broken down by NGOs, LAGs, Public bodies, SMEs, others	19 (art. 35 1 b CPR)	Reporting from LAG; Reported when completed
This indicator should not be attributed to Focus Area		

O.23 Unique identification number of LAG involved in cooperation project

Title and definition	Measures concerned	Source of data, timing of reporting
Unique nbr. of LAG involved in cooperation project supported broken down by inter-territorial cooperation and transnational cooperation	19 (art. 35 1 c CPR)	Administrative data compiling feedback from LAG; Reported when completed
This indicator should not be attributed to Focus Area		

RDP priorities and focus areas 2014-2020

PRIORITY 1: "Fostering knowledge transfer and innovation in agriculture, forestry and rural areas"

- Focus area 1A: Fostering innovation, cooperation and the development of the knowledge base in rural areas

- Focus area 1B: Strengthening the links between agriculture, food production and forestry and research and innovation, including for the purpose of improved environmental management and performance

- Focus area 1C: Fostering lifelong learning and vocational training in the agriculture and forestry sectors

PRIORITY 2: "Enhancing farm viability and competitiveness of all types of agriculture in all regions and promoting innovative farm technologies and sustainable management of forest"

- Focus area 2A: Improving the economic performance of all farms and facilitating farm restructuring and modernizations, notably with a view to increase market participation and orientation as well as agricultural diversification

- Focus area 2B: Facilitating entry of adequately skilled farmers into the agricultural sector and in particular generational renewal

PRIORITY 3: "Promoting food chain organisation, including processing and marketing of agricultural products, animal welfare and risk management in agriculture"

- Focus area 3A: Improving competitiveness of primary producers by better integrating them into the agri-food chain through quality schemes, adding value to agricultural products, promoting in local markets and short supply circuits, producer groups and inter-branch organizations

- Focus area 3B: Supporting farm risk prevention and management

PRIORITY 4: "Restoring, preserving and enhancing ecosystems related to agriculture and forestry"

- Focus area 4A: Restoring and preserving and enhancing biodiversity, including in Natura 2000 areas, areas facing natural or other specific constraints and high value farming, and the state of European landscapes

- Focus area 4B: Improving water management, including fertiliser and pesticide management

- Focus area 4C: Preventing soil erosion and improving soil management

PRIORITY 5: "Promoting resource efficiency and supporting the shift towards a low carbon and climate resilient economy in agriculture, food and forestry sectors"

- Focus area 5A: Increasing efficient in water use by agriculture

- Focus area 5B: Increasing efficiency in energy use in agriculture and food processing

- Focus area 5C: Facilitating the supply and use of renewable sources of energy, of by products, wastes, residues and other non-food raw material for purposes of the bio economy

- Focus area 5D: Reducing green gas and ammonia emissions from agriculture

- Focus area 5E: Fostering carbon conservation and sequestration in agriculture and forestry

PRIORITY 6: "Promoting social inclusion, poverty reduction and economic development in rural areas."

- Focus area 6A: Facilitating diversification, creation and development of small enterprises and job creation

- Focus area 6B: Fostering local development in rural areas

- Focus area 6C: Enhancing accessibility to use and quality of information and communication technologies (ICT) in rural areas
