Designing the Dutch CAP network

June, 2021

Thamar Kok

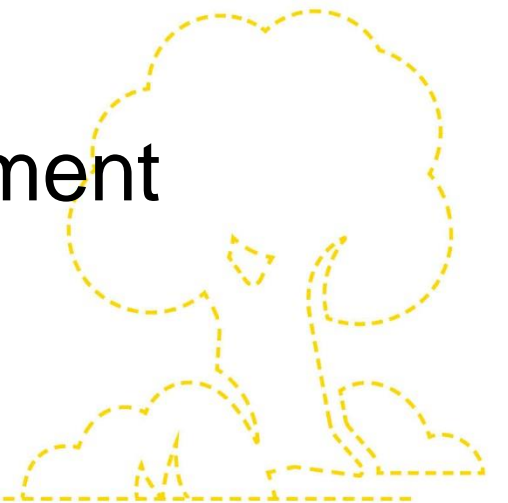

The Dutch countryside

The CAP network – process

- Quick scan stakeholders
- SWOT AKIS
- > Statement about ambition from decisionmakers:
a Cooperative network
- A series of interviews resulting in a draft document
- (to be planned) collecting “dreams”

Topics for further elaboration

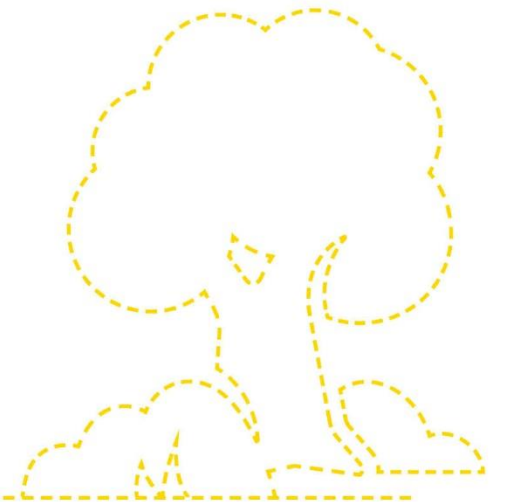

- Connecting local, regional, national and european level
 - Bridging gaps: a.o. office vs. farmyard
- Regular meetings on different levels/topics
e.g. “assembly”, thematic, process, area focused collaboration)
- Overviews; e.g. subsidies, projects and people (farmers)
- National programme Innovation on the farmyard, among which Dutch Platform for Green Knowledge, vouchers

Topics for further elaboration

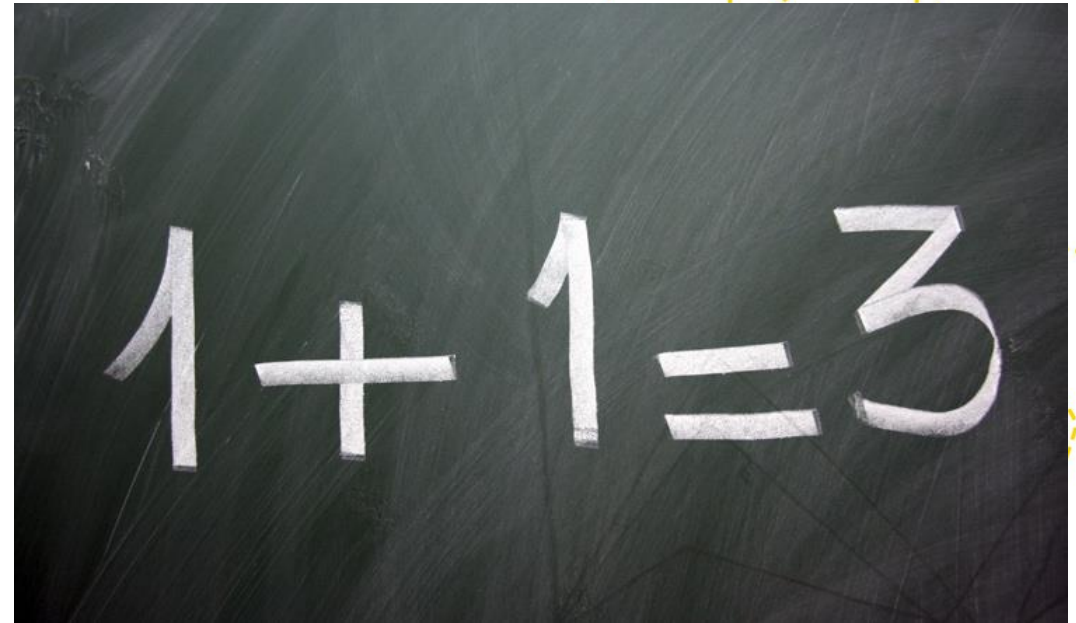

- Initiating communities
- Working with ambassadors
- Stronger connection with European projects: e.g.
I2 connect, Eureka
- Area- focused collaboration
- Governance

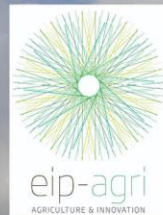

Thank you for your attention !!!
