

The Nature of Brickz

Tom Bode

Co-financed by the Connecting Europe
Facility of the European Union

About Brickz

Making use of mycorrhiza

Brickz on the Rocks

Application of Brickz

Treegrowers

Reforestation

We send it

The project line 1

The project line 2

Why is the project succesful?

1. It's really circular
2. It's a good story and simple to explain to everybody
3. Brickz have are a product not a concept
4. Brickz have a positive economic value
5. Brickz are produced demand driven
6. NSI is a true production company
7. There is focus on planting trees
8. There is pain in the chain
9. Long term contracts
10. The partners know eachother long time (trust)

Thank you for your attention
