## Outline concept from the Steering Group meeting

# SG 12

Outline concept from the  
Steering Group meeting

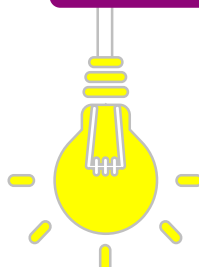

**Assembly for validation of the work plans of the networks**

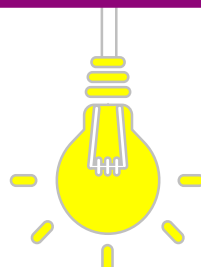

Smaller and more dynamic Steering Group

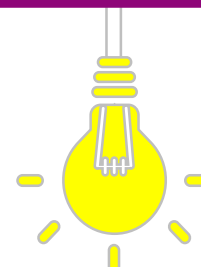

**Sub-groups**

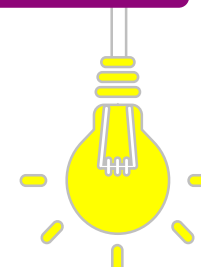

**LEADER**

**Rural  
development**

**Pillar I actors**

**Innovation**

# SG 12

## Outline method from the Steering Group meeting

Adjustment of the information and exchange according to the phases of the Programming period

Use of modern IT tools for facilitation & access to the documents, use of apps & graphs, for example

Attractive agenda with a more concrete discussion such as specific questions & showcase project examples from MSs

More interactive sessions & organisation of back to back events
