

ENRD workshop

Preparing the CAP Strategic Plans: Designing Eco-Schemes

Agenda

25th February 2021

The event will be virtual. A link to join the meeting will be provided to confirmed participants.

The ENRD Contact Point is organising an online workshop to discuss the design and implementation of eco-schemes within the new green architecture of the CAP.

The meeting is part of the series of events launched by the ENRD CP to support the preparations for the CSPs, and it is primarily addressed to future CSP Managing Authorities, Paying Agencies and other relevant national experts involved in the drafting of the CAP Plans.

Aims

The workshop aims to:

- Present and discuss approaches to designing eco-schemes, addressing key environmental, climate and animal welfare challenges in synergies with EAFRD interventions, from the point of view of the legal proposal as well as of the Member States;
- Encourage further exchange between Member States' representatives and European Commission officials on the practical aspects of designing and implementing eco-schemes within the new green architecture of the CAP, with a focus on identifying key obstacles, possible solutions and needs for additional support;
- Collect and share opinions, ideas and other useful inputs.

Timing	25 th February 2021 Agenda Items
09.00 – 09.30	Welcoming participants, testing connections and online networking space
