

European Rural Networks' Assembly

European Rural Network Activities Perspective from a Managing Authority (AT)

Veronika Madner

3rd Meeting

Brussels – 1 December 2016

#RNAssembly2016

Past network activities – what has worked? What needs to be improved and how?

What has worked?

- Possibilities for involvement of SG-members
- Design of events, methods used etc.
- Coordination between ENRD- and EIP-Network has improved
- Communication tools

What could be improved?

- SG-meetings → less meetings & more focused
- Thematic working groups → more attractive for MAs
- Invitation policy: transparent, concrete & at an earlier stage
- Information transfer between EIP-AGRI Service Point and EC
- Overload of information → outputs in a more accessible style

Taking account of the activities that have already been planned, what can the Members of the Assembly do strengthen future network activity?

**Willingness for
participation, cooperation
and active contribution**
