Connecting policies: the bigger EIP picture

EIP-AGRI – Where are we?

- ✓ *27 Member States, 98 rural development programmes implementing the EIP*
- ✓ *Around 3 200 OGs planned in 2014-2020; over 800 OGs already running*
- ✓ *Over 150 H2020 multi-actor projects ongoing, including 23 thematic networks*
- ✓ *A growing and thriving network*

**An increasing volume of
practice-oriented
knowledge !**

The screenshot shows the EIP-AGRI website interface. At the top, there is a navigation bar with links for 'Legal notice', 'Cookies', 'Contact on Europe', and 'My Account'. Below this is a banner image of hands holding soil with a small plant growing. The main content area is titled 'My EIP-AGRI' and features a sidebar with a menu: 'My EIP-AGRI', 'Operational Groups', 'Thematic Networks', and 'Multi-Actor Projects'. The main content area includes a section for 'Thematic Networks' with a description: 'Thematic networks are multi-actor projects which collect existing knowledge and best practices on a given theme to make it available as easily understandable formats for end-users such as farmers, foresters, and advisors. All Thematic Network information available here.' Below this is a 'Welcome to My EIP-AGRI' message: 'This is an on-line resource developed to support your information/guidance needs. Simply select the type of project you are involved or interested in to access your portal to all the information you need.'
