

10-11-12 May 2012

First European Market of Local Products

...ON THE WAY TO
le Puy en Velay

A transnational project

2 DAYS TO EXCHANGE IDEAS AND EXPERIENCES

AIM : to have a picture of the way the short supply chain are organised at home and by our european neighbours

- Strength and weaknesses of short supply chain
- Demonstration and exemples in some countries
- Solutions and pist of action

THEMATICS

- The production: how are organised the farmers, which kind of producing, which kind of territory and which farmers
- The transformation : restaurants, collective restauration
- The distribution : different way of selling: internet, farm, market, on the field
- The consumers : their attents and their way of consuming

1 DAYS TO EXCHANGE FOOD

- On the local market of Le Puy en Velay with :
 - the local producers of the region
 - french producers locates on the santiago camino
 - You !

We are all the same way - - - - -
