Specific Objectives

NRN Tool-Kit

Share

- 1 To provide a gateway to available information on the **basic principles and practice** of EAFRD-financed networking as a rural development policy tool

NRN Tool-Kit

Share

- 2** To provide a dynamic platform for building on **lessons learnt by the NSUs, MAs and other NRN stakeholders** during the current programming period of 2007-2013

NRN Tool-Kit

Share

- 3 To disseminate information and guidance (as it becomes available) on the **obligations for rural networks and networking** in the next programming period of 2014-2020
