

National Rural Networks, NRRN

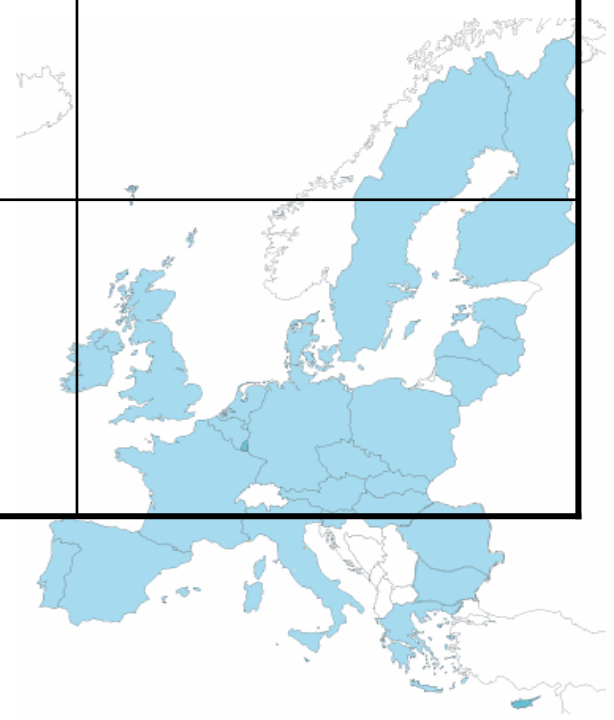

Meeting in Brussels

2008 11 27

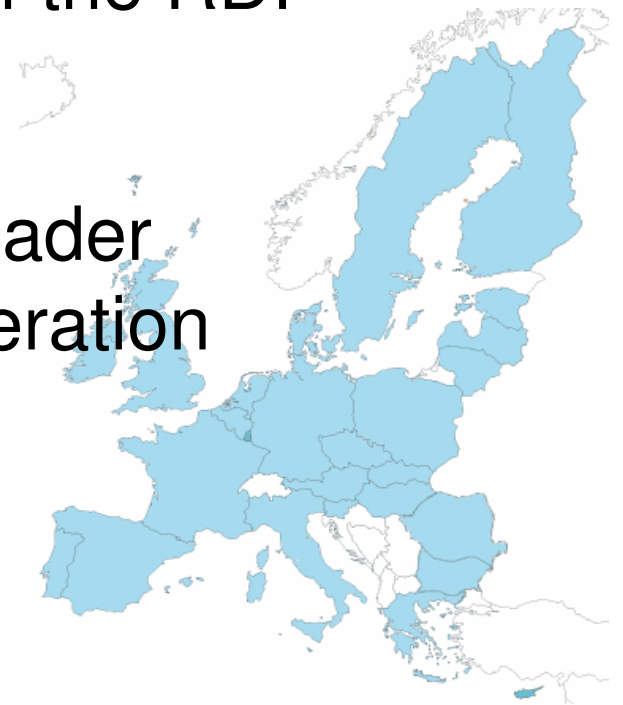

Different NRR structures

	Hosted by MA	Partly outsourced	Outsourced
Network Unit with activities			
Formal network			

What are the tasks for NRN?

- Information external and internal
Web site, project database etc
- Creation of relations between stakeholders
- Capacity building (trainings, seminars, etc)
- Strengthen the implementation of the RDP
Working with all axes ???
- Exchange of Experience
- Support the Mainstreaming of Leader
- Transnational and national cooperation
- Connect with the ENRD
- Analysis (and evaluation??)

Two questions to discuss

10 minutes to each question

- **Problems:**
What are the urgent issues and challenges for your NRN?
- **Expectations:**
Which kind of support and services do you expect from the ENRD?
