

# LEADER Workshop

## LEADER – 30 years and preparing for the future: Delivering LEADER's unique added value

### Agenda

3 June 2021

*Webinar link will be announced to registered and confirmed participants*

The LEADER Workshop 'LEADER – 30 years and preparing for the future: Delivering LEADER's unique added value' will involve participants from Managing Authorities, Paying Agencies, National Rural Networks, LAGs and other LEADER stakeholders. Building on experiences with past and current LEADER achievements, participants will exchange about and identify factors that ensure long-term, positive impact and added value from LEADER including through better partnerships, local development strategies, and local projects and initiatives. They will discuss ideas to maximise LEADER's added value under the future CAP Strategic Plans.

### Aims

- To enable Managing Authorities, Paying Agencies, National Rural Networks and Local Action Groups to learn more about the legal framework for LEADER during the transitional period and for the future, under the CAP Strategic Plans, including programming considerations;
- To facilitate exchange of experiences between Managing Authorities, Paying Agencies, National Rural Networks and Local Action Groups about the distinct added value of LEADER; and
- To identify what can be done by LEADER stakeholders now to ensure LEADER's added value in the future.
