

European Rural Networks' Assembly

LEADER/CLLD Sub-group

9th Meeting

Online meeting – 23 February 2021

#LeaderCLLD

Discussion questions

- How is the RDP and/or the recovery funding during the transition period planned to support LEADER (in your MS) and enhance its added value?
- Are there any changes needed or planned on national or local level regarding how LEADER is implemented in your Member State to enable a strong LEADER role in post-COVID recovery?
