

**A CAP network post-2020: a
sociologist's view**
Dr Áine Macken-Walsh, Teagasc,
Ireland

'Social interactions'

- Dynamic
- Social rules/systems
- Symbols

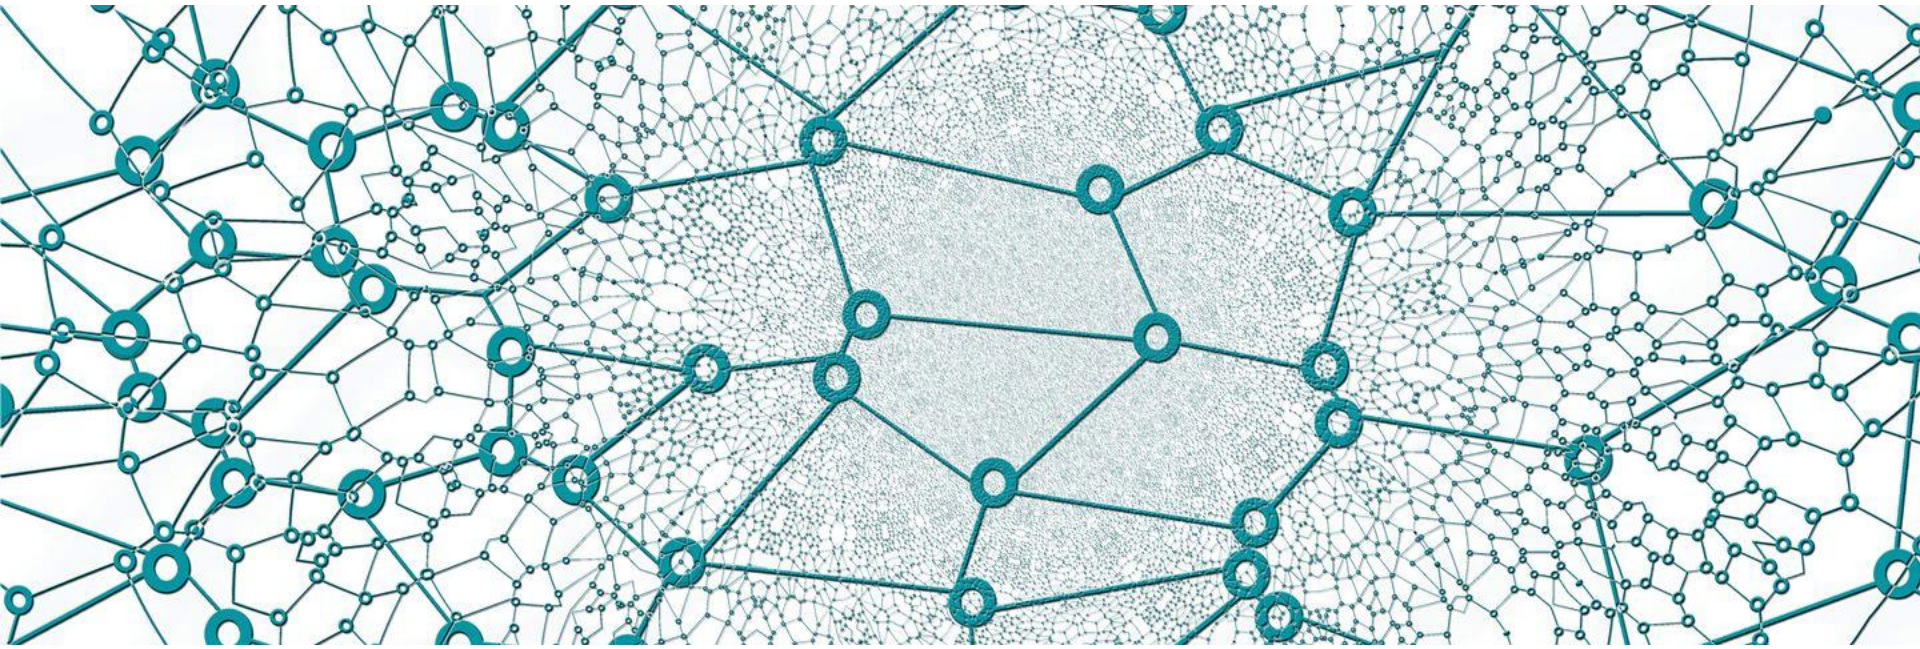

Past experience

'Project Class'

Wider network, wider rules/symbols

Growing networks

Reflexivity/ Réflexivité

Multi-Actor work in Horizon 2020: five scenarios

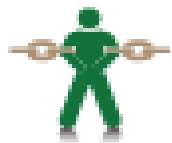

1. **Engaging and Incentivising** stakeholders and actors, by demonstrating the relevance and usefulness of project events/activities

2. **Interrogating** existing knowledge from experts and from static sources such as EIP abstracts.

3. **Creating** new ideas and knowledge
 - a. New creative knowledge
 - b. Co-design of actual processes, products

4. **Addressing** challenges/problem solving
 - a. For example, creating new solutions, productions, relationships, chains, networks

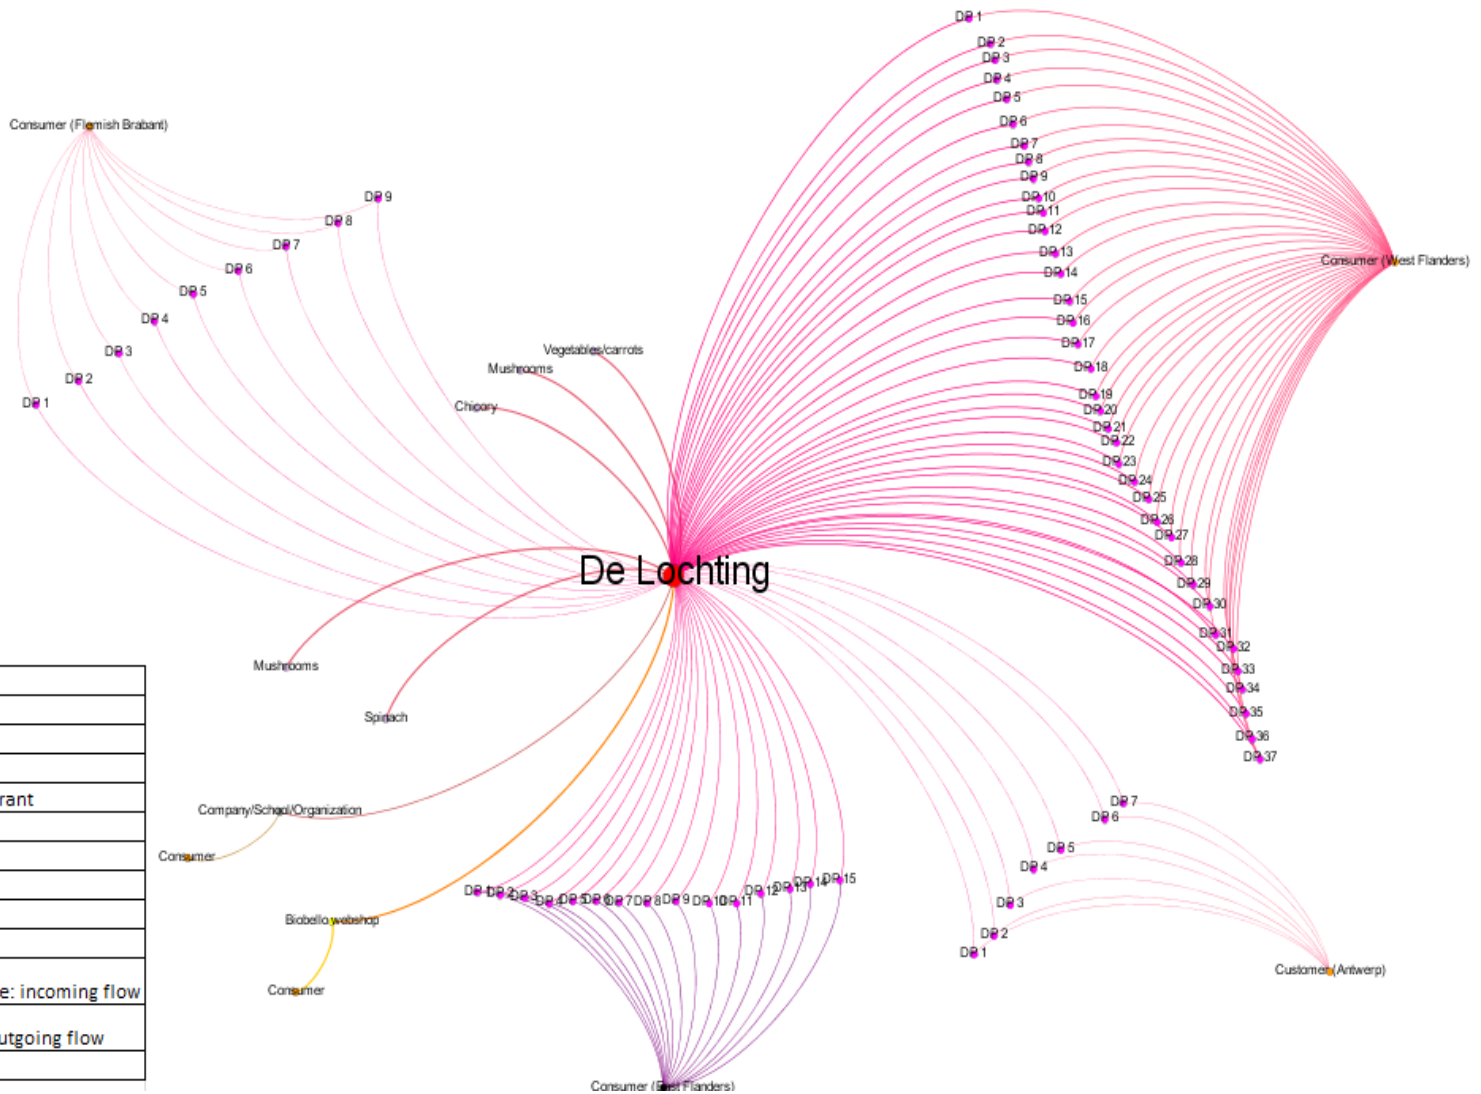

5. **Applying** knowledge to particular contexts, scenarios: application

Traditional

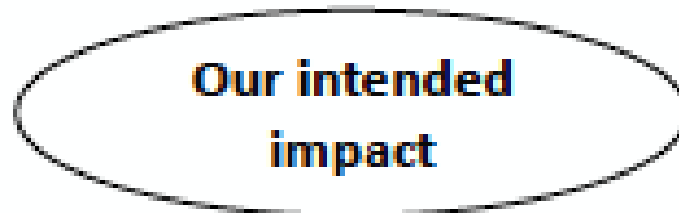

IF we do....

THEN it will result in....

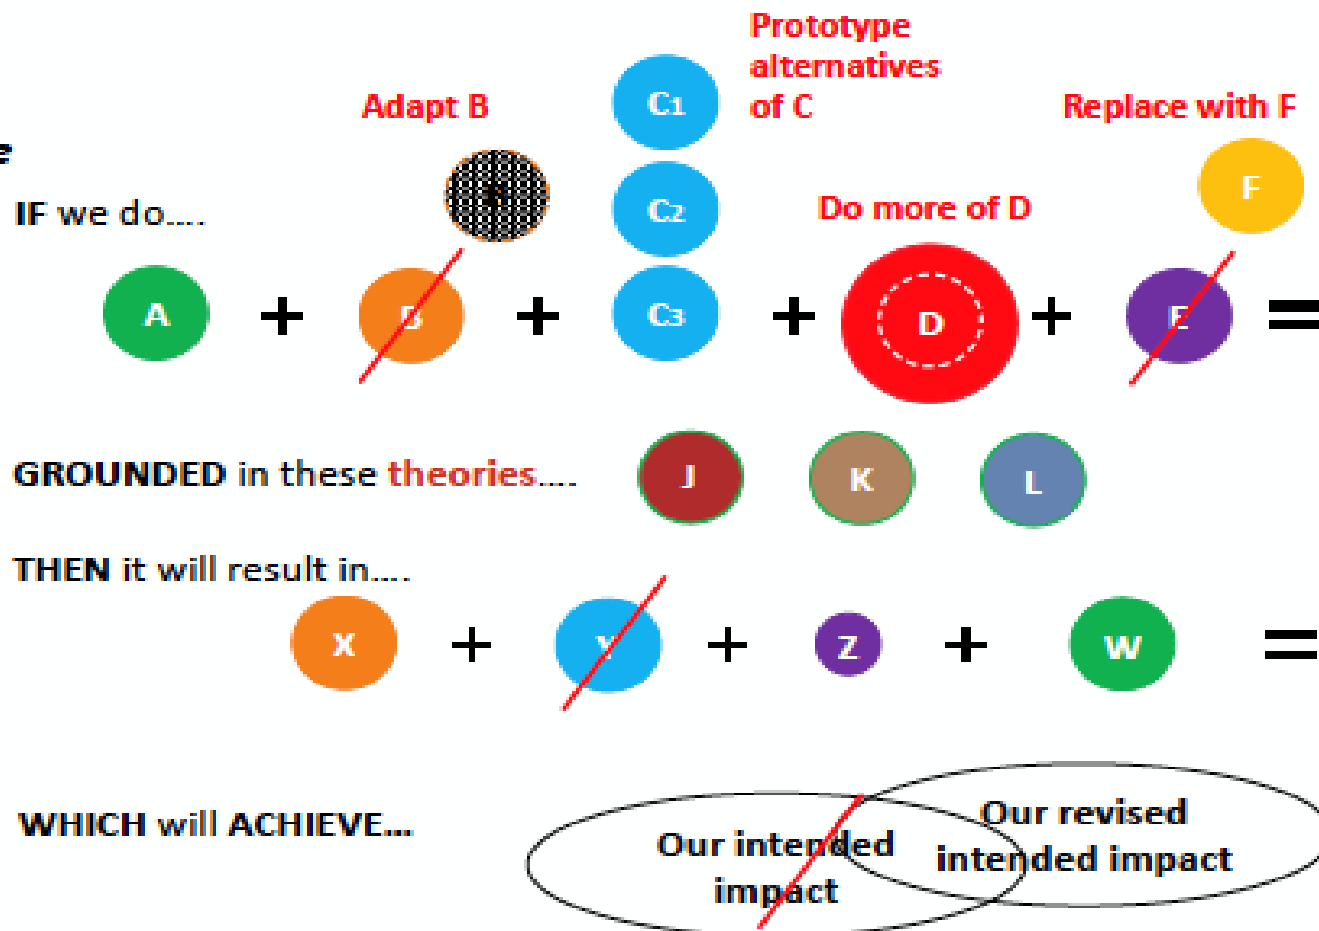

WHICH will **ACHIEVE**...

Reflexive

Challenge our assumptions and validate our hypothesis by adapting as we learn...
