

18th NRN Meeting

Draft Agenda

22 October 2020

Webinar

Main objectives of the meeting:

- To consider how NRNs have responded to the challenges arising from the COVID-19 pandemic and specific lessons learned in adapting methodologies
- To examine how network design can evolve to incorporate new approaches and resources, especially digital methods, to consult and exchange with stakeholders
- To consider the role NRNs could play in promoting stakeholder engagement and contributing to the development of the Long Term Vision for Rural Areas
