

ENRD Networking

20th NRN Meeting

Agenda

15 June 2021

Webinar

Main objectives of the meeting:

- To consider the stakeholder responses to the development of the Long-Term Vision for Rural Areas (LTVRA) and how outcomes from Rural Vision Week (RVW) can be incorporated into the work of the NRNs
- To discuss how NRNs might support communication and ongoing stakeholder involvement around the Vision
- To reflect on previous NRN meeting activities, and to consider which elements to build into future activity and programming.
