

LIVING VILLAGES

A project to stop depopulation and promote the installation of new settlers in rural areas of the Aragon region (Spain)

Patricia Sanchón Ortas
Centro de Desarrollo del Somontano

Barbastro, Huesca

21/05/2019

INVOLVE THE LOCAL POPULATION

- Workshops and meetings to inform the City Councils and the local population about the project.
- Formal accession of the town councils to the project
- Awareness- raising activities, training and exchange of experiences.
- Creating a "Network of volunteer collaborators".
- Discussion and awareness meetings

Workshops and meetings to inform the City Councils and the local population about the project.

training workshops to enhance the associations' way of working: tools for team working, design of activities, potential sources of funding.

Visiting the Fair for the Repopulation of empty Spain PRESURA. (Soria)

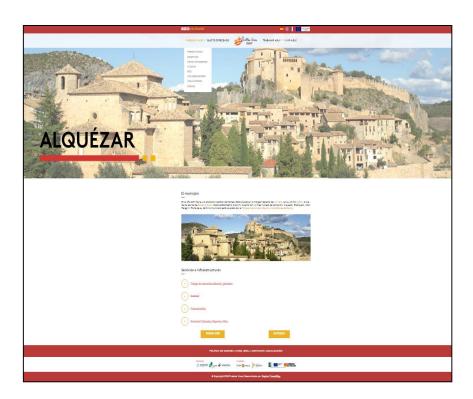

Visiting some agro-food incubators for new entrepreneurs, visiting other villages that actively work against depopulation

Designing a website which would provide the collected information in an organized and updated way.

Actions and events to contact potential new settlers, informing and motivating them to encourage their settlement in a rural municipality: Campaign targeted to the "Sons of the village"

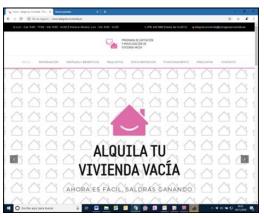

Developing actions orientated to promote social integration and work Placement in the territories, mainly addressed to young people and local women: Digital bulletin of job offers.
