

European Rural Networks'
Steering Group

Capacity Building Activities ENRD Contact Point

5th Meeting
Brussels – 16th June 2016

#RNSteeringGroup

Capacity Building Events ENRD Contact Point

P1 - More effective and simpler programme implementation

- WS on Selection criteria 15/03/16
- WS on EFSI-EAFRD and investment platforms 19/04/16
- WS on Measure 16 Cooperation 14/06/16

P2 - Strengthening NRNs and NSUs

- 5th NRN Meeting on improving stakeholder involvement through culture and communication 12/05/16

P3 - Support to simpler and more effective CLLD

- WS on LEADER/CLLD and networking for social inclusion 17/03/16
- WS on LEADER Cooperation 14/06/16

Key messages

→ Real demand for more exchange between MAs especially at **regional level**

→ Involvement of MAs, PAs, Desk Officers, Auditors and other DGs + NRNs

→ Need to bring in perspective of beneficiaries

→ Experience of other funds

→ More short practical inputs and outputs

→ Better dissemination of results. Link to other networks

→ Challenge of linking activities of MAs, NRNs, and LEADER with thematic work.

→ Different stages and speeds of delivery (MAs, NRNs, LEADER)

Priority 1 - More effective and simpler programme implementation

1. Financial management and simplification. TBD
2. Administrative challenges in **regionalized** countries
3. Including the **beneficiaries** view on simplification
4. Approaches to enhancing RDP Priority 2 for farm viability
5. RDP packages to increase the resilience of farm businesses
6. ANC. Approaches to delimitation
7. AEC. Collective and other approaches
8. Empowering advisory services
9. Monitoring Committees
10. Other

Priority 2 Strengthening NRNs and NSUs

1. **Communication** with stakeholders
2. Strengthening networking in **regionalized** countries
3. Improving support for **young farmers**
4. Supporting the integration of **migrants**
5. Inclusive network **governance**
6. Network **action planning**
7. NRN **start up** and development
8. NRN **self assessment**
9. Other

Priority 3 Simpler and more effective CLLD

Tools and procedures for making LEADER simpler

1. Delivering, monitoring and self assessment of results orientated LDS
2. Making multi-funding functional
3. Streamlining and extending cooperation

Regenerating LEADER

1. LEADER as a force for economic renaissance. Smart LEADER
2. LEADER as an instrument for a social renaissance. Social innovation
3. LEADER as a tool for promoting the green economy
4. Other

Discussion questions:

1. Which of these topics would you or someone from your organisation most like to participate in and contribute to?
2. How?
