

## Next steps for the TG

### Objective:

share experience and develop recommendations that can guide the design and implementation of rural proofing mechanisms within Member States at different administrative levels (national, regional and local)

## Suggested next steps for the TG

May 2022

- Finalising recommendations into TG output
- 2<sup>nd</sup> TG meeting

April 2022

- Review process – collecting feedback from TG members
- Revision of recommendations

March 2022

- Outlining draft recommendations on rural proofing design

February 2022

- Networking between members
- Synthesis of the key outcomes of 1<sup>st</sup> TG meeting
- Possibility to comment
