VALUES AND PRINCIPLES OF OUR VILLAGE ASSOCIATION

Non-profit association - we keep all prices low

Turnover ca. 60 000 €

Money will be used to benefit all villagers

Open membership for all villagers - no fees

Most of the village activities and events are free of charge

Summer villagers are welcome to participate in activities

We trust each other, we keep our promises

We share responsibilities

We cooperate with neighbour villages and societies

We activate all age groups, young and elderly as well

We use domestic and near produced foodstuff for our services

We do not pay salaries or repayments - everything is voluntary

We look after neighbours and take care of kids

We do voluntary work without counting hours

We follow and react on decisions of the municipality council and board
