

The green/bioeconomy and sustainability in Wales

The Welsh Context:

- Agriculture and fishing
- Forestry
- Food and drink
- Science and technology,
including renewables

Focus in on Pembrokeshire:

PLANED supporting rural communities

Refocussing our efforts

Expanding our networks and partners

Recharging Rural

Creating sustainable communities to 2030 and beyond

Lessons from LEADER:

Opportunities from the local economy

Projects contributing include:

- Vocational training academy
- Community renewables
- Community Land Trust
- Community based health care

What next?

Climate Action Fund application phase

Funding > Funding programmes > Climate Action Fund application phase

The Climate Action Fund will support communities across the UK to take action on climate change. These communities will demonstrate what is possible when people take the lead in tackling climate change. With National Lottery funding, they will work together, share their learning and be active participants in a broader movement of change.

Area: UK-wide

Suitable for: Community-led partnerships - see the full list of eligibility criteria below

Total available: £100 million over 10 years (see Funding Expectations below)
