Funded by the

Objectives of the Thematic Group

- Identify main rural development stakeholders
- Understand needs & main issues / the triggers for them to be better involved in rural development
- Identify how 'networking' can add value

Thematic Group Method

- Exchanging views and experiences among interested rural development stakeholders (including grass-root stakeholders)
- Working meetings: 12 February, 27 March, end of April
- Practical outcomes: examples & recommendations for networks

Members of the Thematic Group

- Membership is open & voluntary
- Representatives of different thematic areas (agriculture, environment, territorial development)
- Representatives of decision-makers & grassroot stakeholders and their associations

Members are ... You

Funded by the

The purpose, structure & expected outcomes of the 1st Thematic Group Meeting

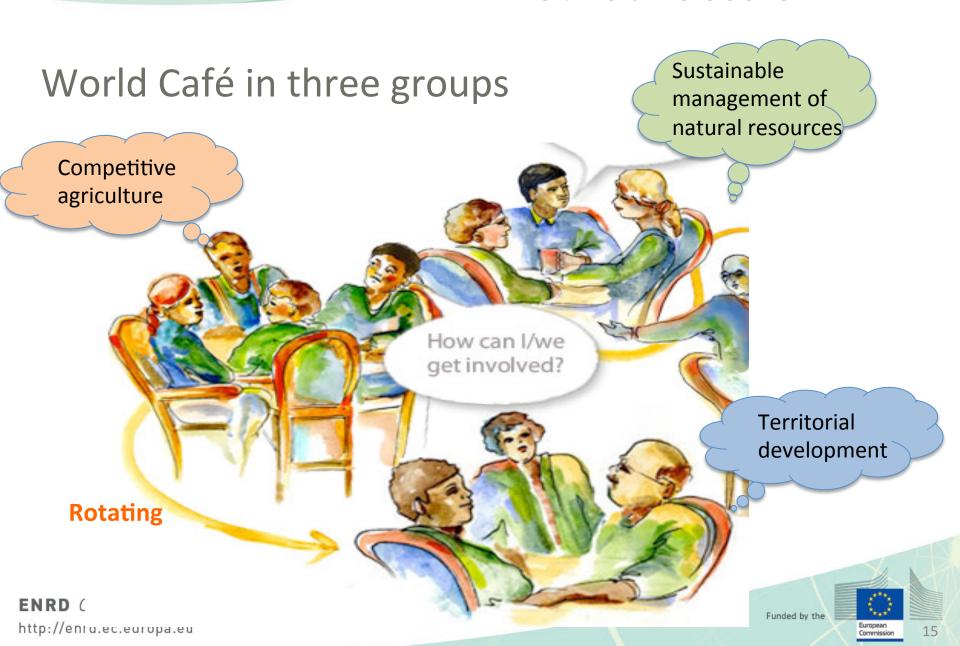

Purpose of today's meeting

- Bring you together to exchange ideas & experience on 'increasing stakeholder involvement in rural development' (Session 1)
- Identify areas where networking can improve stakeholder involvement (Session 2)
- Discuss, focus & priorities main themes –
 planning of the March Seminar (Session 2)
- Next steps of the Thematic Group expected outcomes (last session – after lunch)

Method: Session 1

Question:

How you/your stakeholders engage in rural development (what worked/ what did not) at the

levels of:

- Projects
- Local planning
- Policy/ programme
