

'Increasing stakeholder involvement in rural development'

Date/time: 26 March 2015, from 8.30 am to 5pm

Location: Renaissance Hotel (Brussels, Rue du Parnasse, 1050)

Overall objective: To contribute to the improved understanding and capacity of networking as a tool for increasing effective stakeholder involvement in rural development.

Specific objectives

- To identify the key stakeholders involved in RD(P) and the ways in which their needs can be met by greater involvement.
- To identify the main channels through which stakeholders are able to influence rural development.
- To identify the practical tools and methods available to rural networks for improving the effective involvement of stakeholders in rural development policy implementation.
