

 Working Group 1

'What will be the challenges and the needs for the transition of Rural Development Policy to the new delivery model?'

● Working Group 1 / Questions

- Question 1: *What will be the biggest challenges for the transition to the new delivery model (specify for you, your organisation, the CAP)?*
- Question 2: *Based on this, what should be done to facilitate this transition?*
- Question 3: *What should be the role of the Commission and the network in relation to this?*

● Working Group 2

'How to ensure performance: designing the performance framework'

● Working Group 2 / Questions

- Question 1: *How do we set meaningful 7 year targets for the plans (result)?*
- Question 2: *How to ensure performance: how do we deal with failure to meet agreed targets?*
- Question 3: *What kind of performance incentive could we establish?*

 **Working Group 3**

**'Simplification in the programming phase:
what will it mean in practice?'**

Working Group 3 / Questions

- Question 1: *How do we go from 1000 pages to a couple of hundred – what kind of information would be essential for the CAP plans?*
- Question 2: *How to simplify the planning process and approval phase?*
- Question 3: *How could the networking play a role in facilitating the planning process?*
