

ENRD Workshop on 'Improving rural policy delivery: the regional dimension'

Agenda

13 February 2018

NH Hotel Collection Vittorio Veneto

Rome, Italy

Background

This ENRD workshop organised in partnership with the Italian Rural Network intends to explore how different NRN structural and organisational models work to deliver the Rural Development Policy at the regional level. For comparative purpose the background analysis will focus on Member States with multiple RDPs as well as on Member States with a single RDP but with regional delivery mechanisms.

Objectives

The workshop aims to:

- Present the results of the analytical work on regional RDPs with presentations from participants from selected countries and regions;
- Identify NRN practices that contribute to improving policy delivery;
- Provide useful recommendations to enhance the work of the National Rural Networks in supporting the implementation of Rural Development Programmes.
