The EFF measure 4.1. „Sustainable development of fisheries area“ implementation

- Paid subsidies 2008 – 2013 in total 4 076 129 euros.
- 2008-2014 a total of 110 projects were supported. The largest part of the supported projects (61%) went towards the renewal of fishing ports.
- 21% went towards the development of fishing related tourism and the revival of coastal villages.
- 10% of the money was invested into processing and direct marketing.
- 8% of the budget went into the diversification direction.

Some examples of the EFF measure 4.1.

- Tihemetsa Kala OÜ – farm Tihemetsa

Kalle Kreis - Fish shop in Muhu – „Here is not fish shop“

The 1st stage of the construction of the Mõntu small craft harbour

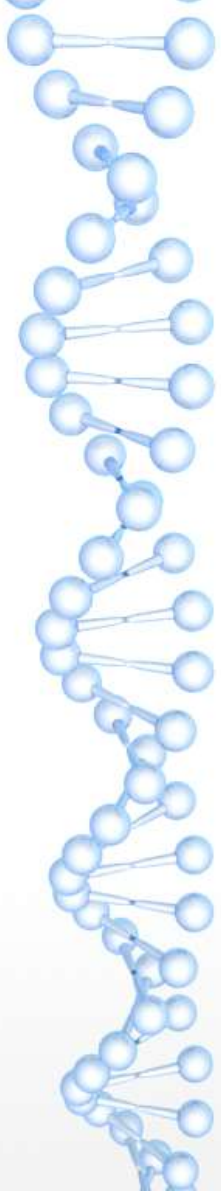

The 3rd stage of the reconstruction of the Soela port

The status of the EMFF measure 3.3.

- Currently, our association has 133 members.
