FIRST STEPS: “STATE OF THE ART”

- **Context analysis: starting point**
- **Problems and opportunities detected**
- **Inventory of all the instruments we have at national/regional and UE level**
- **Analysis of how they have worked in previous programming periods**
- **New initiatives foreseen**
- **Role of partnership**

MAIN PROBLEMS

- 1. Access to land**
- 2. Access to finance and credit**
- 3. Access to knowledge and advice**
- 4. Basic services similar to urban areas=life quality**
- 5. High administrative burden**
- 6. Social perception of farmers professional activity**

LEGISLATIVE PROPOSALS

- **To include the importance of a gender perspective as a specific objective in the future CAP**
- **To increase aid intensity for young farmers in interventions such as investments**
- **Selection criteria and prioritization for YF, new entrants and women**
- **Same definition for YF in first and second pillar**
- **Enough budget allocation for YF, new entrants and women**
- **Higher cofinancing rates...**

ACTIONS AT MS/UE LEVEL

- **Price of land/leasing agreements/land transfer (MS)**
- **Reforms in the area of taxation (MS)**
- **Basic services similar to urban areas (MS/UE)**
- **One- window approach for YF: single application (MS/UE)**
- **Mentoring, besides professional skills/Erasmus**
- **Digitalization**
