# In the early funding period

- ❖ Developing a TNC handbook with very practical examples of TNC projects from the last funding period (from the very first step to cooperation agreement)
- ❖ Working group with MAs and PAs. Result: Proposals from the Managing Authorities how to deal with Cooperation projects
  - ❖ Pre-condition for approval
  - ❖ Eligibility...
  - ❖ Real cooperation projects – ‘model’ projects
  - ❖ Possible charging
  - ❖ Financing part of a project separately and in rotation
  - ❖ Splitting a project into small projects
  - ❖ Billing: contractor is developing partial invoices
  - ❖ ...

# Direct support for LAGs

- ❖ **Act as an ambassador for LAGs during (TNC) LEADER events – bringing actors together**
- ❖ **Supporting TNC projects from the ground (eg LINC)**
- ❖ **Communicating practical approaches and best practices**

# Other support for TNC

- ❖ **Act as a mediator between administrative bodies**
- ❖ **‘pushing’ communication between MAs during the programming period to write down simplified rules for TNC in the RDPs**
- ❖ **Communicating good approaches of administrative procedures**
