Additionally, producers are obliged to submit to the Fund information in accordance with Annex X of the WEEE Directive in MS Word document form (official form is not prescribed yet). Furthermore, EEE producers are obliged to report once a year to the Agency. The registration is free of charge and lasts forever.</p>	<p>The Fund is a legal person having public authorities who carries out activities in the field of EE waste management coordination. Fund collects all information related to producers, collection operators and recovery operators.</p> <p>Collected data Fund annually forwarded to the Agency which prepares annual reports on EE waste management. Producers pay prescribed fee per kg of EEE placed on the market to Fund which pays collection operators and recovery operators for collection or recovery, also per kg of WEEE.</p> <p>The system covers collection of WEEE from registered persons and from natural persons too (from households).</p>
