Employment,

and Inclusion

The targeted mobility scheme **YOUR FIRST EURES JOB (YFEJ)** is implemented by public employment services of the EU EFTA/EEA¹ countries. Other labour market organisations may also participate.

Activities are put in place by consortia driven by a EURES member organisation (*lead employment service*) involving at least five EURES member organisations from at least seven different EU EFTA/EEA countries.

The lists hereunder provide the names and links of the **YFEJ employment services**.

Registration/participation

All consortia provide information, recruitment, matching and placement support to jobseekers and employers from all EU EFTA/EEA countries.

Are you a jobseeker or an employer from any of the consortia countries and wish to know more on participation conditions?

Please consult the websites of the YFEJ employment services (please click on the names of the organisations hereinafter) and follow the procedure or refer to the contact details indicated on-line. Most websites are written in both the national language and in English. Some partner organisations may participate in more than one consortium.

If your country does not offer these services, please refer preferably to the lead employment services.
