COMMISSION DECISION

of 28.7.2015

on an individual measure for the Union of the Comoros to be financed under the 11th European Development Fund

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) 2015/322 of 2 March 2015 on the implementation of the 11th European Development Fund¹, and in particular Article 9 thereof,

Having regard to Council Regulation (EU) 2015/323 of 2 March 2015 on the Financial Regulation applicable to the 11th European Development Fund², and in particular Article 26 thereof,

Whereas:

- (1) The programming of the 11th European Development Fund (EDF) was postponed for one year to align it with the national programming cycle and content (Strategy for Accelerated Growth and Sustainable Development – SCA2D 2015-2020), in coordination with France, which is the only Member State present on the ground and with which a joint programming exercise has been started for the first time. The National Indicative Programme (NIP 2014-2020) and Joint EU-France Strategy in the Union of the Comoros (2015-2020) are currently being drafted.
- (2) This individual measure is also included in the draft 2014-2020 NIP for Comoros as one of the support measures.
- (3) The measure financed under the 11th EDF consists of a cooperation support project (*'Projet d'Appui à la Coopération'* - PAC). Its aim is to improve the institutional capacity of the Comoros' administration and all partners involved in planning, managing and implementing EU-Comoros cooperation programmes so as to enhance their effectiveness and impact. The PAC follows on from the programme to support the national authorising officer's support office, which will be completed in September 2015, and from the Technical Cooperation Facility.
- (4) To ensure continuity in the implementation of EU-Comoros cooperation and in the operation of the NAO support office in Comoros, this measure is being adopted in advance of the programming of the 11th EDF.
- (5) There is thus need for a financing decision, the procedures for which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012³, applicable by virtue of Article 26 of Council Regulation (EU) 2015/323.

² OJ L 58, 3.3.2015, pp. 17-38.

³ Commission Delegated Regulation (EU) No 1268/2012 of 29 October 2012 on the rules of application of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council on the financial rules applicable to the general budget of the Union (OJ L 362, 31.12.2012, p. 1).

- (6) The Commission should delegate budget-implementation tasks under indirect management to the partner country specified in this Decision, subject to the conclusion of a financing agreement. In accordance with Article 60(1)(c) of Regulation (EU, Euratom) No 966/2012 applicable by virtue of Articles 17 and 2(1) of Regulation (EU) 2015/323, the authorising officer responsible must ensure that measures are taken to supervise and support implementation of the delegated tasks. Those measures and delegated tasks are described in the annex to this Decision.
- (7) Payment of interest due for late payment should be made on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012, applicable by virtue of Article 29(1) of Regulation (EU) 2015/323.
- (8) The measure provided for in this Decision does not fall into the categories of measures for which the prior opinion of the Committee is required. The European Development Fund Committee, established under Article 8 of the Internal Agreement between the Representatives of the Governments of the Member States of the European Union, meeting within the Council, on the financing of European Union aid under the multiannual financial framework for the period 2014 to 2020, in accordance with the ACP-EU Partnership Agreement, and on the allocation of financial assistance for the Overseas Countries and Territories to which Part Four of the Treaty on the Functioning of the European Union applies⁴, should be informed of this Decision within one month of its adoption,
