Having regard to Council Regulation (EU) 2015/322 of 2 March 2015 on the implementation of the 11th European Development Fund, and in particular Article 9(1) thereof,

Having regard to Council Regulation (EU) 2015/323 of 2 March 2015 on the financial regulation applicable to the 11th European Development Fund, and in particular Article 26 thereof,

Whereas:

(1) The Commission has adopted the 11th European Development Fund (EDF) National Indicative Programme for the period 2014-2020 for co-operation between the Republic of Mozambique and the European Union, point 3.1 of which provides as priority good governance and development.

(2) The objectives pursued by the Annual Action Programme to be financed under the 11th EDF Internal Agreement (‘Internal Agreement’) are to contribute to poverty eradication, sustainable and inclusive growth and consolidation of democracy, complemented by actions aiming at supporting or accompanying the programming, preparation or implementation of actions and strengthening the institutional capacities of the National Authorising Officer.

The action will be implemented via budget support by transferring EUR 200 000 000 over the period 2016-2019, accompanied by a continued political dialogue with the Government; a continued effort to reinforce the Government's capacities in the area of Public Financial Management; a continued donor coordination; and a regular monitoring of the budget support eligibility criteria.
