Objectives:

The main objectives are: 1) access to education; 2) development, reform and renewal of the curriculum; 3) pastoral development, guidance and care; 4) management for efficiency and effectiveness; 5) human resource development; 6) partnerships in education; and 7) financing of education.

The EU cooperation will support the Government of Anguilla in the implementation of the Education Development Plan (Education and Training for a Better Future - A Strategy for Education, 2015 to 2020).

The aim of the support is to promote long-term sustainable economic development and welfare in Anguilla through qualitative improvements in both the institutional framework for education and training, as well as the available physical school facility in Anguilla.

Actions and expected results:

The overall objective of the 11th EDF Education and Training Sector Policy Support Programme is the promotion of long-term sustainable economic development and welfare in Anguilla by making primary education, secondary education and technical and vocational education and training (TVET) more relevant in meeting the current and future needs of the labour market, resulting in a more educated and literate workforce.
The 11th EDF sector reform performance contract with Anguilla is expected to contribute to:

- facilitating the implementation of the 2015-2020 Education Development Plan of the Government of Anguilla;
- improving the quality of education at primary level, focusing on functional numeracy and literacy, through quality improvements in teaching and the school-learning environment (including modernisation and upgrading of the primary school facility and use of ICT in education);
- qualitative improvements in providing education at secondary level and articulating the framework for TVET;
- improving strategic management, administration, coordination, and articulation of education and training in Anguilla.

**Implementation**

The sector reform performance contract with Anguilla is being implemented via budget support. The different components of the financial envelope are as follows:

- Budget support component: EUR 12.6 million
- Complementary support/Technical assistance: EUR 1.145 million
- Monitoring and evaluation: EUR 120 000
- Communications and visibility: EUR 40 000

The Financing Agreement for the 11th EDF was signed in April 2017.
