⁵ Internal Agreement between the Representatives of the Governments of the Member States of the European Union, meeting within the Council, on the financing of European Union aid under the multiannual financial framework for the period 2014 to 2020, in accordance with the ACP-EU Partnership Agreement, and on the allocation of financial assistance for the OCTs to which Part Four of the Treaty on the functioning of the European Union applies (OJ L 210, 6.8.2013).
The envisaged assistance to PALOP-TL is deemed to strictly follow the conditions and procedures set out by the restrictive measures concerning the PALOP-TL countries that are under those measures.

It is necessary to adopt a financing decision the detailed rules of which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012⁶ applicable in accordance with Article 2 (1) and Article 26 of Regulation (EU) 2015/323.

The Commission should entrust budget-implementation tasks under indirect management to the partner countries specified in the Annex to this Decision, subject to the conclusion of a financing agreement. In accordance with Article 60(1)(c) of Regulation (EU, Euratom) No 966/2012, applicable in accordance with Article 2(1) and Article 17 of Regulation (EU) 2015/323, the authorising officer responsible needs to ensure that measures are taken to supervise and support the implementation of the entrusted tasks. It is necessary to allow the payment of interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012, applicable in accordance with Article 2(1) and Article 29(1) of Regulation (EU) 2015/323.

Pursuant to Article 94(4) of Delegated Regulation (EU) No 1268/2012, applicable in accordance with Article 2(1) and Article 26 of Regulation (EU) 2015/323, any substantial change to a financing decision that has already been adopted should follow the same procedure as the initial decision. It is therefore appropriate that the Commission defines the changes to this Decision that are considered non-substantial in order to ensure that any such changes can be adopted by the authorising officer responsible.

The measure provided for in this Decision does not fall within the categories of measures for which the prior opinion of the Committee is required. The EDF Committee established under Article 8 of the Internal Agreement should be informed of this Decision within one month following its adoption.
