**Introduction**

- **Mr. Kevin McCarthy**, DEVCO B4 - Education, Health, Research & Culture
- **Mr. Zoltán Krasznai**, Project Officer FP7 RurbanAfrica, Reflective Societies, DG Research & Innovation

**Presentation**

- **Ms. Jytte Agergaard**, FP7 RurbanAfrica project, Principal Investigator, Associate Professor, University of Copenhagen, DK
- **Ms. Cecilia Tacoli**, FP7 RurbanAfrica project, Principal Researcher, International Institute of Environment and Development, UK

This seminar will discuss critical policy challenges in dealing with rural-urban connections in sub-Saharan Africa based on policy dialogues in the four case countries in Africa: Tanzania, Rwanda, Cameroon and Ghana. The aim of the RurbanAfrica project is to explore and describe the multiple links between rural and urban areas. http://rurbanafrica.ku.dk/
