Sustainable Development: The Promise of Information and Communication Technologies (ICTs) for Persons with Disabilities

Monday, 8th December 2014, 12h30 – 13h30
Lunch-time Conference External Cooperation Infopoint

Introduction

• Ms. Alicia Martin Diaz
Programme Officer, DG DEVCO B3
Employment, Social inclusion and migration

• Dr. Indrajit Banerjee
Director, Knowledge Societies Division, UNESCO, Paris

• Ms. Irmgarda Kasinskaite
Programme Specialist, Knowledge Societies Division, UNESCO, Paris

Conference Language: English
Q&A session: English/French

Innovative solutions are urgently needed to address the negative impact of poverty on people with disabilities and towards the inclusion of disability as an integral part of the sustainable development agenda. This conference will feedback on the outcomes of a major international conference entitled "From Exclusion to Empowerment: The Role of ICTs for Persons with Disabilities" organised by UNESCO (United Nations Educational, Scientific and Cultural Organisation) in New Delhi in November 2014.
