Peer to Peer Training on Social Innovation

1-2 February 2021 (online)

AGENDA

Day 1

1 February 2021 (Monday)

Objectives of the event:

This Peer to Peer Training will aim to develop knowledge and competencies for ESF programming to apply social innovation within the next Operational Programmes. The training will be built on previous reviews of social innovation in the ESF+ programme. It will draw on elements of the Flemish ESF Authority's [Toolkit on Social Innovation in the ESF](#) and on the Fondazione Brodolini's report for the European Commission on [ESF support to social innovation](#). In addition, the training will give opportunity for good practice sharing and peer consultation between European colleagues.

The following topics will be explored during the training:

- Understanding social innovation in the ESF
- Who does what in a social innovation system
- Writing a call for projects on social innovation
- How to help projects measure their impact
