International trade in sporting goods
Annex 1 – Detailed list of sporting goods by HS

Trade in sporting goods is defined as exports and imports of products according to the Harmonised Systems (HS) classification as listed below. This list, elaborated in the frame of Eurostat works on development of statistics in the field of sport contains the products manufactured by the NACE Rev.2. sector: Manufacture of sporting goods (32.3), goods and equipment essential for doing sport and defined as such in the HS which are manufactured by other NACE sectors and goods and articles of a very strong sport character needed but not necessary for doing sport or used in recreation activities.

Table 1 presents the sporting goods aggregated by sport discipline and equipment and table 2 displays the detailed list of sporting goods selected within each aggregate. The list is based on Harmonised Systems (HS) classification.
