- Other problems

- Have not encountered any problems

Green IT

The following questions concern what you did with the old equipment when you bought a new one or stopped using the equipment you previously had.

33. What did you do with your old mobile / smartphone when you replaced it or were no longer using them?

- It is still kept in my household
- It was sold or given away
- It was disposed of in electronic waste collection/recycling (incl. leaving it to the retailer to dispose of)
- It was disposed of but not in electronic waste collection/recycling

- Have never changed or had any mobile or smartphone
- Other

34. What did you do with your old laptop / tablet when you replaced it or were no longer using them?

- It is still kept in my household
- It was sold or given away
- It was disposed of in electronic waste collection/recycling (incl. leaving it to the retailer to dispose of)
- It was disposed of but not in electronic waste collection/recycling

- Have never changed or had any laptop or tablet
- Other

35. What did you do with your old desktop computer when you replaced it or were no longer using them?

- It is still kept in my household
- It was sold or given away
- It was disposed of in electronic waste collection/recycling (incl. leaving it to the retailer to dispose of)
- It was disposed of but not in electronic waste collection/recycling

- Have never changed or had any desktop computer
- Other

36. When you most recently bought a mobile or smartphone, tablet, laptop or desktop computer, which of the following characteristics did you consider important?
Several answers can be marked. .

- Price
- Hard drive characteristics (storage, speed), processor speed
- Ecodesign of the device e.g., durable, upgradeable, and repairable designs that require fewer materials; environmentally friendly materials used for packaging, etc.
- Possibility to extend the life span of the device by buying extra guarantee
- Energy efficiency of the device
- A take-back scheme offered by manufacturer or seller (i.e. the manufacturer or seller takes the device which becomes obsolete at no cost or offers discounts to the client to purchase another device)
- Have not considered any of the mentioned characteristics
- Never bought any of these devices

General questions about you

37. How many years have you attended a total of primary, secondary, vocational school or equivalent?

- 8 years or less
 - 9 years
 - 10 — 11 years
 - 12 years or more
- Go to question 39
- Go to question 38

38. How many years have you studied at a university, college or other post-secondary education?

- No post-secondary education
- Post-secondary education shorter than 1 year
- 1 year
- 2 years
- 3 years
- 4 years or longer without a doctoral degree (PhD)
- 4 years or more with a doctoral degree (PhD)

39. What is your main occupation?

If you have difficulty to determine what is your main occupation you can think what includes most your time, has lasted the longest or is best with your own opinion.

- Working → Go to question 40
