1. Yes → How many?
6. No

If P17 = 6, end of this area. Go to trips area, question P19

P18. The <dwelling> is in:

Interviewer, keep in mind that this information will be collected, at most, for three households

- In Spain: → municipality and province
Abroad: → country

TRIPS AREA

1. DETERMINATION OF THE NUMBER OF TRIPS AND BASIC CHARACTERISTICS

Now I will ask you a series of questions related to the trips you made in the months of <mesref1> and <mesref2>. Remember that when we talk about trips we refer to any travel to another municipality for any reason, spending at least one night away.

P19. Did you make any trip that finished in <mesref1> and <mesref2>? For example: weekend trips, long weekends, work, attending congresses, exhibitions, meetings, studies, holidays, second homes... If your place of work or your study centre is located in another municipality and spend some night there, bear this in mind too

Interviewer: check the calendar noting the public holidays and remind the informant if necessary.

1. Yes
6. No

If P19 = 6, go to question P42 concerning trips of people under 15 years old.

P20. How many trips have you made?

Number of trips

Now we are going to talk about one of the trips. Let's start with the first you made and then continue in order.

P21. Main destination?

Interviewer: the main destination is that the one whose visit was decisive in organising the trip.

1. Spain:

1.1. Province

1.2. Municipality

1.3. Village: (Interviewer: if the informant does not know the name of the municipality, choose the "Literal destination" option and note the name of the village in the shaded box to code it at the end of the interview.)

2. Abroad:

2.1. Country

Interviewer, please note that after conducting the interview, it is necessary to code the municipality when a literal has been entered since the name of the municipality visited was unknown. (Error type II)

P22. What was your main reason for the trip, understanding this as the one without which you would not have made it?

Interviewer: bear in mind that reasons 10 and 17 will only be marked if the selected person physically has their study centre or work in a municipality other than that of their residence; in other words the office where they work, hospital where they work, factory, ...

a. Personal reasons:

1. Sun and beach tourism

2. Cultural tourism

3. Nature tourism

4. Gastronomic tourism

5. Sports tourism

6. Thermal and wellness tourism (relaxation, beauty, disintoxication, etc.)

7. Another type of leisure tourism: attendance at fairs as a private individual (Fitur, fashion, books, cinema)..., feasts days, 'Fallas'...

8. Visits to relatives and friends (family events, weddings, meetings with friends, etc.)

9. Shopping tourism

10. Travel to habitual study centre

11. Other education and training reasons

12. Health treatment (with medical prescription, operations, etc.)
13. Religious reasons or pilgrimages
14. Incentives
15. Others

b. Professional reasons:

16. Congresses, fairs and conventions
17. Travel to work centre
18. Others (attending meeting, etc.)

If P22 ≠ 18, 10 and 17 or (P22 = 18 and P14 = 6), go to question P24

If P22 = 10 or 17, go to trip area to work center or study center, question Q1

P23. You said your job is related to the transportation of passengers or goods. Was this trip made for that purpose?

1. Yes
6. No

If P23 = 1, go to question P34, in order to count the trips of this type made in the reference period

P24. Could you tell me the dates of departure and return?

- Departure date
- Date of return

If you cannot remember one of the two dates, go to question P25'.

P25. According to this, the total number of nights you spent away is < Date of return - Departure date>?

1. Yes
6. No

If P25 = 1, then automatically NPernoc = Num_Noches (= Date of return – Departure date). Go to question P26

If P25 = 6, return to question P24 and correct the error on the dates

P25'. How many nights did you spend away?

From the number of nights (Npernoc) and the date available, the date that is unknown will be calculated:

- * If the departure date is unknown, departure date = return date – Npernoc
- * If the return date is unknown, return date = departure date + Npernoc

P26. Who did you travel with?

1. On your own
2. With your partner
3. With your children
4. With other family members
5. With friends
6. With workmates

If P26 = 1, go to question P28

If P26 ≠ 1 and MH = 1, go to question P28

P27. How many of the people you travelled with are members of your household?

This question can not be left blank. It will allow the multiple answer, except if none is selected. If P27 = None, no other options can be selected. It would show a table with the members of the household to mark those who participated in the trip.

If P17 = 6, in question P28 there will be no 'Owned house' option

P28. What was the main type of accommodation used during the trip?

Interviewer: main accommodation is defined as the type of accommodation where the highest number of nights was spent on the trip. If the same number of nights was spent in two different types of accommodations, the main one is considered that where the person was accommodated during their stay in the main destination. In this case, the main one is considered that involving a higher cost.

- a. Rented (payment)
 1. Hotel or aparthotel (Indicate the number of stars: number; 'Does not know')
 2. Lodge, hostel, motel, inn, guest house
 3. Complete rented home (including tourist apartments)
 4. Rented room in a private house
 5. Rural tourism accommodation
 6. Hostel
 7. Camping

8. Cruise
9. Other rented accommodation
- b. Non-rented (not paid)
 10. Owned house
 11. Houses of relatives, friends or company freely loaned
 12. Shared house (multi property)
 13. Exchanged houses
 14. Other non-rented accommodation

P29. What was the main transport you used in the trip?

Interviewer: the main transport means is defined as the transport means used to reach the destination. If several transport means are used to reach this destination, or if the trip has several destinations and more than one transport means is used to go from one to another, the main transport means is that where the longer distance has been run.

1. Air transport (Specify if low cost:: Yes/No/Does not know)
- Water transport
 2. Cruise
 3. Ferry
 4. Own, loaned or rented vessel
- Land transport
 5. Car or other own or loaned private vehicles
 6. Car or other private vehicles hired without driver from rental companies
 7. Taxis or other private vehicles hired with driver from rental or transport companies
 8. Car or other shared vehicles with payment to the driver
 9. Bus
 10. Train (Specify if high speed: Yes/No/Does not know)
 11. Unpowered land transport (bicycle, walking, on horseback, etc.)
 12. Other means of transport

If the main accommodation type of the trip is cruising, P28 = 8, or the main means of transport of the trip is cruising, P29 = 2, then P30 = 1, P31_1 = 1, P31_2 = 1, P31_4 = 1 will be automatically marked. Go to question P31_3.

P30. Did you buy any tourist package that included accommodation and transport or at least one of these, as well as other services like organised tours, tickets, car rental, etc.?

Interviewer: remember that bed and breakfast, half-board, hotel with airport transfer, etc. are not considered as a tourist package.

- 1. Yes
- 6. No
- 8. Does not know

If P30 = 6 or 8, go to question P32

P31. Was it included in the tourist package?

Interviewer: when more than one tourist package has been hired for or during the trip, this question is answered considering all packages hired together. Therefore, if a package contains the transport and leisure activities and another the transport and accommodation, then it must be specified that the package includes the transport, the accommodation and leisure activities.

- 1. Transport?
 - 1. Yes
 - 6. No
- 2. Accommodation?
 - 1. Yes
 - 6. No
- 3. Meals and drinks not included in the accommodation?
 - 1. Yes
 - 6. No
- 4. Leisure, culture and sports activities?
 - 1. Yes
 - 6. No

If Npernoc = 1, go to question P34 (no stages have been performed)

P32. As well as in <main destination>, did you spend any night in any other municipality (before returning to your municipality of residence)?

- 1. Yes
- 6. No

If P32 = 6 and P21 = 1, go to question P33'
If P32 = 6 and P21 = 2, go to question P34

If P17 = 6, in question P33 there will be no 'Owned Property' option

P33. Please say in order, starting with the first, all of the destinations where you spent a night on this trip, the type of accommodation and the nights in each one. If the destination is abroad, just say the number of nights.

Interviewer: bear in mind that one of the stages must be the principal destination of the trip and that stays in the same municipality but in different types of accommodation are considered different stages.

1. Spain :
 - 1.1. Province
 - 1.2. Municipality --> Type of accommodation:
 1. Hotel or aparthotel (Indicate the number of stars: number; 'Does not know')
 2. Lodge, hostel, motel, inn, guest house
 3. Complete rented home (including tourist apartments)
 4. Rented room in a private house
 5. Rural tourism accommodation
 6. Hostel
 7. Campsite
 8. Cruise
 9. Other rented accommodation
 10. Owned house
 11. Houses of relatives, friends or company freely loaned
 12. Shared house (time-share)
 13. Exchanged houses
 14. Other non rented accommodation--> Number of nights
 - 1.3. Village (if the informant does not know the name of the municipality)
2. Abroad :
 - 2.1. Country --> number of nights

Go to question P34

P33'. On your stay, as well as <main accommodation> did you use any other kind of accommodation?

1. Yes
6. No

If P33' = 6, go to question P34

If P17 = 6 in question P33'' will not be presented the option 'Owned house

P33". Starting with the first and proceeding in order, say the different types of accommodation you used and the number of nights you spent in each one

- a. Rented (payment)
 1. Hotel or aparthotel (Indicate the number of stars: number; 'Does not know')
 2. Lodge, hostel, motel, inn, guest house
 3. Complete rented home (including tourist apartments)
 4. Rented room in a private house
 5. Rural tourism accommodation
 6. Hostel
 7. Campsite
 8. Cruise
 9. Other rented accommodation
- b. Non-rented (not paid)
 10. Owned house
 11. Houses of relatives, friends or company freely loaned
 12. Shared house (time-share)
 13. Exchanged houses
 14. Other not market accommodation

P34. Have you made any other trip to the same destination with the same duration, the same people and using the same kind of accommodation?

Interviewer: keep in mind that when it is a trip made by a transporter whose purpose is precisely to transport, it is not required that the duration, accommodation used and the members of the household participating in the trip are always the same. In this case, it is considered identical trip to that trip that has the same destination, same reason and the same purpose of transport.

1. Yes
6. No

If P34 = 6, return to question P21 to collect the basic characteristics of the next trip. And so on until collecting all the trips.

When the last trip is reached, if P34 = 6 go to question P35 for the first trip selected to obtain the additional characteristics.

If P34 = 1 and P23 = 1, go to question P34' (since these trips won't be investigated, we will not ask for their return dates. In addition, since we do not have a number of overnight stays, we could not get the date of departure that allows us to know if the dates of these trips overlap with others.).

P34'. How many?

If P23 = 1, return to question P21 to collect the basic characteristics of the next trip. The return dates of this type of trips are not collected.

P34''. Date of return in these trips

Return to question P21 to collect up the basic characteristics of the next trip. So on and on until collected all the trips.

When the last trip is reached, go to question P35 for the first trip selected to get the additional features.

2. ADDITIONAL CHARACTERISTICS OF THE TRIPS

The questions in this block will be formulated only for the three trips selected to provide the additional features.

Now for the trip to <destiny> between <outward date> and <date of the return>, I will ask you a series of questions:

If P22 ≠ 14, 16 and 18, go to question P36

If P22 = 14, go to question P36'

P35. The expenses of this trip, are they paid entirely by you, by the company, or by you and the company?

Accommodation

1. Entirely the company
2. Entirely the participant
3. Partly the company and partly the participant

Transport

1. Entirely the company
2. Entirely the participant
3. Partly the company and partly the participant

Meals and drinks

1. Entirely the company
2. Entirely the participant
3. Partly the company and partly the participant

Question P36 will be considered in one form or another depending on the reason for the trip and whether or not a tourist package has been purchased.

If P22 ≠ 14, 16 and 18 (Incentives; Congresses, fairs and conventions; other professional reasons):

P36. I am going to ask you about the expenditure of the trip. Bearing in mind the expenses of all of the members of the household who went on the trip, and the payments others made for them

If P22 = 16 or 18 (Congresses, fairs and conventions; other professional reasons):

P36. Bearing in mind the expenses of all of the members of the household who went on the trip, and the payments others made for them.

-If P30 ≠ 1, then P36.1 will automatically be set to '6' and continue to question P36.2
 -If P30 = '1', then P36.1 will automatically be set to '1'
 -If {(P30 = '6' or '8') or (P30 = 1 and P31.2 = 6)}, and any or all variables P28, P33, P33'' = 1, 2, 3, 4, 5, 6, 7, 9; then P36.2 must take a value other than 6
 -If P30 = 1, P31.2 = 1 and any or all variables P28, P33, P33'' = 1, 2, 3, 4, 5, 6, 7, 8, 9; then P36.2 must have a value equal to 1 or 6
 -If all variables P28, P33, P33'' in {b, 10, 11, 12, 13,14}, P21=1 and for each stage P33=1; then P36.2 must take a value other than 1
 -If all variables P28, P33, P33'' in {b, 10, 11, 12, 13,14} and (P21=2 or for any stage P33=2); then P36.2 must take a value in {'1','6'}

Interviewer: please note that in the case that more than one package of tourist packages have been contracted for or during the trip, this question will be answered considering as a package cost the sum of the expenses of all packages contracted.

Please tell me whether you spent on:

1. Package tour
 1. Yes → Euros
 6. No
2. Accommodation (If P36.1 = 1, it should be noted that it is the accommodation not included in the tourist package)
 1. Yes → Euros
 6. No
3. Transport (If P36.1 = 1, it should be noted that it is the transport not included in the tourist package)
 1. Yes → Euros
 6. No

If P36.3=1 (there was transport expenditure) and [P21=2 or in any stage P33=2] (trip abroad) then move to question P36.3.1. Otherwise, go to 36.4 ¹

Interviewer: bear in mind that transport expenditure in the country or countries of destination includes expenses incurred to move at destination such as fuel, tolls, parking, buses, subways, taxis, trains, bicycle rental, car rental, boat rental, ferries, domestic flights...

P36.3.1 Transport in the country or countries of destination

- 1. Yes -> * Euros
- 6. No

** If P36.3.1=1 (there was transport expenditure at destination) then ask for the amount of transport at destination. Otherwise, go to 36.4.*

4. Bars and restaurants

- 1. Yes → Euros
- 6. No

5. Leisure, culture and sports activities

- 1. Yes → Euros
- 6. No

6. Durables and valuable goods

- 1. Yes → Euros
- 6. No

7. Other expenditures

- 1. Yes → Euros
- 6. No

If for any option is P36.i ≠ 6 and P36.i_euros = ' ' i = 1,..., 7, go to question P36'

If for any option is P36.i = ' ', or (P36.i = 1 and P36.i_euros = ' ') i = 1,..., 7, go to question P36''

P36'. Including all expenditure, could you give me approximately the total cost of the trip?

Euros / Lowinterval-Upinterval

Go to question P37

If P22 = 14, go to question P39

¹ The question on transport at destination is included as of February 2017

P36". With the information you have given me, the total expenditure of the trip would be <sum> euros. Does that seem right to you?

1. Yes
6. No

If P36" = 6, return to question P36

- If P29=5 and P28=10, 11, 12 or 14, go to P39
- If P30≠1, P29 = 5 and P28 ≠ 8, 10, 11, 12 or 14; go to question P38.2
- If P30≠1 and P29 ≠ 2, 5; go to question P37.2
- If P30 = 1, P29 = 5, P31.2 = 6 and P28 ≠ 8, 10, 11, 12 or 14; go to question P38.2
- If P30 = 1, P29 = 5, P31.2 = 1 and P28 ≠ 8, 10, 11, 12 or 14; go to question P38.1
- If P29=5 and P28=8, then go to P38

- If P30 = 1, P31.1 = 6 and P29 ≠ 5 and 2; go to question P37.2
- If P29 = 2, then P37.1 will automatically be set to '1' and then continue to question P37.2'.

Interviewer: remember that if more than one tourist package was hired for or on the trip, the questions P37 and P38 will refer to the package with most expenditure, or the most expensive.

P37. With respect to the main means of transport

1. Was it included in the tourist package?

1. Yes
6. No

- If P37.1 = 1, go to question P37.2'
- If P37.1 = 6, go to question P37.2

2. How far in advance did you make the booking or buy the main means of transport?

1. On the same day
- In advance:
 2. From 2 to 7 days

SAME-DAY VISITS AREA

DETERMINATION OF THE NUMBER OF SAME-DAY VISITS AND CHARACTERISTICS⁴

Now I will ask you a series of questions related to the same-day visits you did in the last month of <mesref2>. Remember that when we talk about same-day visits we refer to any visit from your usual residence to any municipality outside your routine and without spending the night.

P46. Bearing in mind the definition I have just read, could you tell me whether in <mesref> you made any same-day visit?

1. Yes
6. No

If P46 = 6, go to question P52

P47. How many same-day visits did you make?

P48. Could you tell me the destination of the same-day visit?

- Spain -> Province
Abroad -> Country

A drop-down will be shown for the province and a text box for the country

P49. Could you give me your main reason for doing this same-day visit?

1. Personal reasons
2. Professional reasons

If MH = 1, go on to collect information about the next same-day visit, question P50A

P50. As well as yourself, what other members of your household went on the same-day visit?

Names and surnames of household members + the none option

P50 A. Have you made any other same-day visit to this same municipality, for the same reason and with the same people in the month of <mesref>?

Interviewer: Please bear in mind that the destination of the identical same-day visit must refer to the municipality. That is to say, two same-day visits to the same province and different municipality are NOT identical same-day visits.

⁴ As of August 2017, this section is amended to facilitate the collection. The previous version can be found in the annex to the present document

1. Yes
6. No

If P50A = 6, go to question P51

P50 B. How many?

Go to question P51'

Questions P51 and P51' will always be asked for the first 3 same-day visits, and in the following (up to a maximum of two more) when: either it is an same-day visit abroad, or it is a same-day visit for professional reasons and there has been no previous expenditure on a same-day visit for professional reasons.

P51. Total expenditure

When specifying the total same-day visit expenditure, all household members who participated in it should be taken into account.

Go on to collect information about the next same-day visit, question P48. In case this is the last same-day visit made, then go on to question P52.

P51'. What has been the total expenditure for the most recent identical same-day visits you have made?

When specifying the total same-day visit expenditure, all household members who participated in it should be taken into account.

Go on to collect information about the next same-day visit, question P48. In case this is the last same-day visit made, then go on to question P52.
