European Master in Official Statistics

2nd Call for Applications

Deadline: 29 January 2016

European Master in Official Statistics

2nd Call for applications

Following the first EMOS Call for applications and the award of 12 Master programmes with the EMOS label by the European Statistical System Committee in May 2015, we are pleased to publish the second EMOS Call for applications.

All universities from an EU Member State, EU candidate country or EFTA country are welcome to respond to this EMOS Call for applications. The applicant Master programmes have to be in line with the Bologna process and the European Credit Transfer and Accumulation System (ECTS) or equivalent.

Universities are invited to submit their applications complete with accompanying documents as described in the EMOS Guide for applicants **until 29 January 2016**.

The applications for the EMOS label will be assessed by the EMOS Board in March 2016, and the selected Master programmes will be proposed for award of the EMOS label by the European Statistical System Committee in May 2016. Applications must be completed in English, while the supporting documents may be submitted in official languages of the applicant's country with translation into English.

Please send an electronic copy of your complete application with the subject 'Reply to EMOS Call for applications' to ESTAT-EMOS@ec.europa.eu by the fixed deadline. The paper application should be postmarked no later than 29 January 2016 and sent to the following address:
