# Reporting of Government Deficits and Debt Levels

in accordance with Council Regulation (EC) N° 3605/93 as amended, the Statements contained in the Council minutes of 22/11/1993, and the Code of Best Practice adopted by the Ecofin Council of 18/2/2003

Set of reporting tables as endorsed by the CMFB on 26/6/2003.

- Reporting before 1 October 2006

Table 1: Reporting of government deficit/surplus and debt levels and provision of associated data.

Tables 2A to 2D: Provision of the data which explain the transition between the national definitions of government balance and the deficit/surplus (EDP B.9) of each government sub-sector.

Tables 3A to 3E: Provision of the data which explain the contributions of the government deficit/surplus and the other relevant factors to the variation in the government debt level, and the consolidation of debt (general government and general government subsectors).

Table 4: Provision of other data in accordance with the statements contained in the Council minutes of 22/11/1993.

Yellow cells: compulsory detail; green cells: automatic compilation; blue cells: voluntary detail.

Not applicable: M; Not available: L

Please mention data sources and whether the data supplied are publicly available.
