1. Nature of the tasks

We propose a post for a Seconded National Expert to work in the team dealing with Labour Market statistics collected from Businesses (LMB). The successful candidate will be in charge of production, methodological and administrative tasks in this domain, in particular:

- Contributing (as leader or backup) to the production of one LMB indicator (Quarterly Job Vacancy Statistics, Quarterly Labour Cost Index, or Monthly Unemployment Rate);
- Managing the dissemination of annual net earnings data transmitted by OECD;
- Analysing Structure of Earnings Survey data (SES 2018) through (established) regression models in order to adjust the gender pay gap and estimate earnings based on the individual characteristics of the employer and the employee ('Salary calculator');
- Contributing (as leader or backup) to the validation and dissemination of Labour Cost Survey (LCS 2020) data to be transmitted in June 2022 and published in the fourth quarter of 2022;
- Contributing to the Impact assessment of the forthcoming legislation on LMB statistics.

With the help of two assistants, the job holder will be in charge of all production steps from the collection and validation of the data to the dissemination of analytical tables in the database of Eurostat (Eurobase) and on Eurostat's website ('Statistics Explained' articles).

¹ These mentions are given on an indicative basis only (Art.4 of the SNE Decision).

Under the supervision of the team leader and the Head of Unit, he/she will report to the Labour Market Statistics (LAMAS) Working Group.

Principal duties include the following:

- Steer developments in terms of production and methodology of LMB data under his/her responsibility and coordinate the work of 2 assistants under the supervision of the team leader. Liaise with the other departments of Eurostat ;
- Analyze SES2018 data with a view to adjust the resulting Gender Pay Gap (GPG) and to update the Salary Calculator (SC);
- Prepare and present documents for the LAMAS working group and related taskforces;
- Answer user requests in the field of LMB statistics and update/improve the information provided in Statistics Explained pages. Run ad-hoc extractions to cover non-standard needs expressed by advanced users (e.g. Commission services);
- Draft publications and reports analyzing economic developments through the angle of LMB statistics;
- Assess the impact of the forthcoming LMB legislation in terms of costs and response burden and draft the resulting impact assessment document in accordance with Commission standards.

2. **Main qualifications**

a) **Eligibility criteria**

The following eligibility criteria must be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil all of these criteria will be automatically eliminated from the selection process.

- **Professional experience**: at least three years of professional experience in administrative, legal, scientific, technical, advisory or supervisory functions which are equivalent to those of function group AD;
- **Seniority**: candidates must have at least one year seniority with their employer, that means having worked for an eligible employer as described in Art. 1 of the SNE decision on a permanent or contract basis for at least one year before the secondment;
- **Linguistic skills**: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. SNE from a third country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) **Selection criteria**

Diploma

- university degree or
- professional training or professional experience of an equivalent level

in the field(s) : Statistics or economics

Professional experience

Technical skills: sound knowledge of the methodology of business surveys and a confirmed (at least 2 years) experience in statistical validation. Experience in SAS programming is an asset;

Other skills: The colleague is expected to be service-oriented, with team spirit and good organisational skills in order to meet tight deadlines in production.

Language(s) necessary for the performance of duties

The working language of the unit is English and therefore a good knowledge of this language is required; The job holder should be able to draft / present documents in English sometimes under tight deadlines. A good knowledge of French or German is a plus.

3. Submission of applications and selection procedure

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward it to the competent services of the Commission within the deadline fixed by the latter. The CV must mention the date of birth and the nationality of the candidate. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are asked not to add any other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc.). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4. Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision).

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security system.
