1. Nature of the tasks

Team member for addressing the challenges of globalisation in business statistics in the context of the unit's activities.

Eurostat Unit G1's mission is to design and co-ordinate the infrastructure development for modernised European business statistics. We are a friendly and multicultural Unit of about 20 colleagues. The team member would support the work ongoing related to addressing the challenges of globalisation on business statistics, especially related to the correct reflection of the activities and understanding of Multinational Enterprise Groups (MNEs). The ongoing work currently consists of creating a European System of Interoperable Statistical Business Registers, profiling of large MNEs and supporting the NSIs in implementing the so called Large Cases Units, LCUs, which ensure the consistency of business statistics across the different statistical domains. Additionally, further development and maintenance of the business statistics methodology, taking into consideration the impacts of globalisation, would be needed.

The successful candidate will, under the supervision of the responsible Commission official:

- contribute to the implementation and development of a network of Large Cases Units;
- contribute to the development of a strategy on addressing MNEs in a systematic way, in particular in relation to the European Profiling programme and in cooperation with National Accounts;
- assist the Member States in implementing profiling activities and liaise with other external and internal stakeholders in supporting the profiling of the most significant MNEs operating in Europe;
- coordinate and draft enhancements to business statistics methodologies (the European Business Statistics manual) to take into account needs for further guidance related to globalisation impacts
- assist the Member States in the implementation of statistical units (Enterprise and KAU) in

¹ These mentions are given on an indicative basis only (Art.4 of the SNE Decision).

- business statistics
- participate and contribute to internal and external meetings

The work includes:

- intensive interaction within the Unit, the Directorate and other Eurostat stakeholders, like the National Accounts;
- collaboration with business and macro-economic statistics/business register/statistical unit experts in the Member States and EEA/EFTA countries;
- providing material for working groups and other ESS meetings and making presentations;
- participation in external meeting

2. **Main qualifications**

a) **Eligibility criteria**

The following eligibility criteria must be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil all of these criteria will be automatically eliminated from the selection process.

- **Professional experience**: at least three years of professional experience in administrative, legal, scientific, technical, advisory or supervisory functions which are equivalent to those of function group AD;
- **Seniority**: candidates must have at least one year seniority with their employer, that means having worked for an eligible employer as described in Art. 1 of the SNE decision on a permanent or contract basis for at least one year before the secondment;
- **Linguistic skills**: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. SNE from a third country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) **Selection criteria**

Diploma

- university degree or
- professional training or professional experience of an equivalent level

in the field(s) : The job holder should have a relevant University Degree in economics or statistics

Professional experience

The candidate should have at least 3 years of experience in Business Statistics or in National Accounts and proven coordination and communication skills and experience in working in a complex environment of many different stakeholders. Experience in coordinating a national Large Case Unit or activity ensuring consistency of statistics on large multinationals, in Business Registers and European/international Profiling, as well as numerical/statistical ability to analyse large set of data will be considered an asset.

Language(s) necessary for the performance of duties

Very good knowledge of English, both oral and written expression

3. **Submission of applications and selection procedure**

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward it to the competent services of the Commission within the deadline fixed by the latter. The CV must mention the

date of birth and the nationality of the candidate. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are asked not to add any other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc.). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4. Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision).

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security system.

Unless for cost-free SNE, allowances may be granted by the Commission to SNE fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNE are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the application may be cancelled.

Staff posted in a **European Union Delegation** are required to have a security clearance (up to SECRET UE/EU SECRET level according to Commission Decision (EU, Euratom) 2015/444 of 13 March 2015, OJ L 72, 17.03.2015, p. 53).

The selected candidate has the obligation to launch the vetting procedure before getting the secondment confirmation.

5. Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.DDG.B4. The data processing is subject to the SNE Decision as well as the Regulation (EU) 2018/1725.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, rectify or erase your personal data and the right to restrict the processing of your personal data. Where applicable, you also have the right to object to the processing or the right to data portability.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given below.

Contact information

- The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller, HR.DDG.B.4, HR-MAIL-B4@ec.europa.eu.

- The Data Protection Officer (DPO) of the Commission

You may contact the Data Protection Officer (DATA-PROTECTION-OFFICER@ec.europa.eu) with regard to issues related to the processing of your personal data under Regulation (EU) 2018/1725.

- The European Data Protection Supervisor (EDPS)

You have the right to have recourse (i.e. you can lodge a complaint) to the European Data Protection Supervisor edps@edps.europa.eu if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the Data Controller.

To the attention of candidates from third countries: your personal data can be used for necessary checks.
