<input type="checkbox"/> the following intergovernmental organisations:	

1. Nature of the tasks

Unit ESTAT.E3 is providing high quality statistics on transport, covering the transport of goods and passenger by road, rail, inland waterways, aviation and by sea and additionally collects and disseminates statistics on transport accidents and infrastructure. Most of the work is based on EU statistical legal acts. The Unit cooperates closely with partners in the European Statistical System, other Directorate-Generals of the European Commission and EU Agencies and manages joint data collections with the International Transport Forum (ITF) and UNECE. The data which ESTAT.E3 is providing are used to design, implement, monitor and evaluate transport and environment policies of the European Union.

The work comprises collection, processing, dissemination and analysis of data and metadata as well as conceptual and methodological developments in close collaboration with the national administrations of reporting countries (statistical offices, ministries) and other Commission services (mainly DG MOVE).

We are looking for a seconded national expert, who under the supervision of an EU official, will be responsible for performing tasks related to the production, quality assurance and further development of transport statistics.

The expert would be involved in:

-Support the management of a regulated statistical production or a project based on data collected on Gentlemen's agreement. This task comprises the collection, validation and dissemination of transport statistics and writing and/or updating metadata and methodological manuals. She/he will be involved in liaison with data providers, i.e. Member States, EFTA members, and Candidate and potential candidate countries.

¹ These mentions are given on an indicative basis only (Art.4 of the SNE Decision).

-Support the management of a statistical development project. New statistical domains may cover passenger transport, Green Deal related statistics or the use of new technologies and innovative sources for official statistics. This task consists of drafting methodologies, preparing pilot studies to complement the available regulated data collections.

-Support the update of the transport statistics regulatory framework. Based on progress in developing new statistics, this task consists in drafting methodological proposals fit for future inclusion in statistical regulations.

2. Main qualifications

a) Eligibility criteria

The following eligibility criteria must be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil all of these criteria will be automatically eliminated from the selection process.

- Professional experience: at least three years of professional experience in administrative, legal, scientific, technical, advisory or supervisory functions which are equivalent to those of function group AD;
- Seniority: candidates must have at least one year seniority with their employer, that means having worked for an eligible employer as described in Art. 1 of the SNE decision on a permanent or contract basis for at least one year before the secondment;
- Linguistic skills: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. SNE from a third country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) Selection criteria

Diploma

- university degree or
- professional training or professional experience of an equivalent level

in the field(s) :Mathematics, statistics, economics

Professional experience

5 year of experience in statistical production, preferably in transport statistics.

Language(s) necessary for the performance of duties

Very good oral and written English.

3. Submission of applications and selection procedure

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward it to the competent services of the Commission within the deadline fixed by the latter. The CV must mention the date of birth and the nationality of the candidate. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are asked not to add any other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc.). If necessary, these will be requested at a later stage. Candidates will be informed of the follow-up of their application by the unit concerned.

4. Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision).

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security system.

Unless for cost-free SNE, allowances may be granted by the Commission to SNE fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNE are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the application may be cancelled.

Staff posted in a **European Union Delegation** are required to have a security clearance (up to SECRET UE/EU SECRET level according to Commission Decision (EU, Euratom) 2015/444 of 13 March 2015, OJ L 72, 17.03.2015, p. 53).

The selected candidate has the obligation to launch the vetting procedure before getting the secondment confirmation.

5. Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.DDG.B4. The data processing is subject to the SNE Decision as well as the Regulation (EU) 2018/1725.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, rectify or erase your personal data and the right to restrict the processing of your personal data. Where applicable, you also have the right to object to the processing or the right to data portability.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given below.

Contact information

- The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller, HR.DDG.B.4, HR-MAIL-B4@ec.europa.eu.

- The Data Protection Officer (DPO) of the Commission

You may contact the Data Protection Officer (DATA-PROTECTION-OFFICER@ec.europa.eu) with regard to issues related to the processing of your personal data under Regulation (EU) 2018/1725.

- The European Data Protection Supervisor (EDPS)

You have the right to have recourse (i.e. you can lodge a complaint) to the European Data Protection Supervisor (edps@edps.europa.eu) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the Data Controller.

To the attention of candidates from third countries: your personal data can be used for necessary checks.
