## **ARTICLE II.14 – FORCE MAJEURE**

- II.14.1** "*Force majeure*" shall mean any unforeseeable exceptional situation or event beyond the parties' control, which prevents either of them from fulfilling any of their obligations under the Agreement, which was not attributable to error or negligence on their part or on the part of subcontractors, affiliated entities or third parties involved in the implementation and which proves to be inevitable in spite of exercising all due diligence. Any default of a service, defect in equipment or material or delays in making them available, unless they stem directly from a relevant case of force majeure, as well as labour disputes, strikes or financial difficulties cannot be invoked as *force majeure*.
- II.14.2** A party faced with *force majeure* shall formally notify the other party without delay, stating the nature, likely duration and foreseeable effects.
- II.14.3** The parties shall take the necessary measures to limit any damage due to *force majeure*. They shall do their best to resume the implementation of the action as soon as possible.
- II.14.4** The party faced with *force majeure* shall not be held to be in breach of its obligations under the Agreement if it has been prevented from fulfilling them by *force majeure*.

## **ARTICLE II.15 – SUSPENSION OF THE IMPLEMENTATION OF THE ACTION**

### **II.15.1 Suspension of the implementation by the beneficiary**

The beneficiary may suspend the implementation of the action or any part thereof if exceptional circumstances make such implementation impossible or excessively difficult, in particular in the event of *force majeure*. The beneficiary shall inform the Commission without delay, giving all the necessary reasons and details and the foreseeable date of resumption.

Unless the Agreement is terminated in accordance with Article II.16.1 or points (b) or (c) of Article II.16.2.1, the beneficiary shall, once the circumstances allow resuming the implementation of the action, inform the Commission immediately and present a request for amendment of the Agreement as provided for in Article II.15.3.

### **II.15.2 Suspension of the implementation by the Commission**

- II.15.2.1** The Commission may suspend the implementation of the action or any part thereof:
- (a) if the Commission has evidence that the beneficiary has committed substantial errors, irregularities or fraud in the award procedure or in the implementation of the Agreement or if the beneficiary fails to comply with its obligations under the Agreement;

- (b) if the Commission has evidence that the beneficiary has committed systemic or recurrent errors, irregularities, fraud or breach of obligations under other grants funded by the Union or the European Atomic Energy Community which were awarded to the beneficiary under similar conditions, provided that those errors, irregularities, fraud or breach of obligations have a material impact on this grant; or
- (c) if the Commission suspects substantial errors, irregularities, fraud or breach of obligations committed by the beneficiary in the award procedure or in the implementation of the Agreement and needs to verify whether they have actually occurred.

**II.15.2.2** Before suspending the implementation the Commission shall formally notify the beneficiary of its intention to suspend, specifying the reasons thereof, and, in the cases referred to in points (a) and (b) of Article II.15.2.1, the necessary conditions for resuming the implementation. The beneficiary shall be invited to submit observations within 30 calendar days from receipt of this notification.

If, after examination of the observations submitted by the beneficiary, the Commission decides to stop the suspension procedure, it shall formally notify the beneficiary thereof.

If no observations have been submitted or if, despite the observations submitted by the beneficiary, the Commission decides to pursue the suspension procedure, it may suspend the implementation by formally notifying the beneficiary thereof, specifying the reasons for the suspension and, in the cases referred to in points (a) and (b) of Article II.15.2.1, the definitive conditions for resuming the implementation or, in the case referred to in point (c) of Article II.15.2.1, the indicative date of completion of the necessary verification.

The suspension shall take effect on the day of the receipt of the notification by the beneficiary or on a later date, where the notification so provides.

In order to resume the implementation, the beneficiary shall endeavour to meet the notified conditions as soon as possible and shall inform the Commission of any progress made in this respect.

Unless the Agreement is terminated in accordance with Article II.16.1 or points (b), (h) or (i) of Article II.16.2.1, the Commission shall, as soon as it considers that the conditions for resuming the implementation have been met or the necessary verification, including on-the-spot checks, has been carried out, formally notify the beneficiary thereof and invite the beneficiary to present a request for amendment of the Agreement as provided for in Article II.15.3.

### **II.15.3 Effects of the suspension**

If the implementation of the action can be resumed and the Agreement is not terminated, an amendment to the Agreement shall be made in accordance with Article II.12 in order to establish the date on which the action shall be resumed, to extend the duration of the action

and to make any other modifications that may be necessary to adapt the action to the new implementing conditions.

The suspension is deemed lifted as from the date of resumption of the action agreed by the parties in accordance with the first subparagraph. Such a date may be before the date on which the amendment enters into force.

Any costs incurred by the beneficiary, during the period of suspension, for the implementation of the suspended action or the suspended part thereof, shall not be reimbursed or covered by the grant.

The right of the Commission to suspend the implementation is without prejudice to its right to terminate the Agreement in accordance with Article II.16.2 and its right to reduce the grant or recover amounts unduly paid in accordance with Articles II.25.4 and II.26.

Neither party shall be entitled to claim compensation on account of a suspension by the other party.

## **ARTICLE II.16 – TERMINATION OF THE AGREEMENT**

### **II.16.1 Termination of the Agreement by the beneficiary**

In duly justified cases the beneficiary may terminate the Agreement by formally notifying the Commission thereof, stating clearly the reasons and specifying the date on which the termination shall take effect. The notification shall be sent before the termination is due to take effect.

If no reasons are given or if the Commission considers that the reasons exposed cannot justify the termination, it shall formally notify the beneficiary, specifying the grounds thereof, and the Agreement shall be deemed to have been terminated improperly, with the consequences set out in the third subparagraph of Article II.16.3.

### **II.16.2 Termination of the Agreement by the Commission**

**II.16.2.1** The Commission may decide to terminate the Agreement in the following circumstances:

- (a) if a change to the beneficiary's legal, financial, technical, organisational or ownership situation is likely to affect the implementation of the Agreement substantially or calls into question the decision to award the grant;
- (b) if the beneficiary does not implement the action as specified in Annex I or fails to comply with another substantial obligation incumbent on it under the terms of the Agreement;
- (c) in the event of *force majeure*, notified in accordance with Article II.14, or in the event of suspension by the beneficiary as a result of exceptional circumstances, notified in accordance with Article II.15, where resuming the implementation is impossible or where the necessary modifications to

the Agreement would call into question the decision awarding the grant or would result in unequal treatment of applicants;

- (d) if the beneficiary is declared bankrupt, is being wound up, is having its affairs administered by the courts, has entered into an arrangement with creditors, has suspended business activities, is the subject of any other similar proceedings concerning those matters, or is in an analogous situation arising from a similar procedure provided for in national legislation or regulations;
- (e) if the beneficiary or any related person, as defined in the second subparagraph, have been found guilty of professional misconduct proven by any means;
- (f) if the beneficiary is not in compliance with its obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which it is established or in which the action is implemented;
- (g) if the Commission has evidence that the beneficiary or any related person, as defined in the second subparagraph, have committed fraud, corruption, or are involved in a criminal organisation, money laundering or any other illegal activity detrimental to the Union's financial interests;
- (h) if the Commission has evidence that the beneficiary or any related person, as defined in the second subparagraph, have committed substantial errors, irregularities or fraud in the award procedure or in the implementation of the Agreement, including in the event of submission of false information or failure to submit required information in order to obtain the grant provided for in the Agreement; or
- (i) if the Commission has evidence that the beneficiary has committed systemic or recurrent errors, irregularities, fraud or breach of obligations under other grants funded by the Union or the European Atomic Energy Community which were awarded to the beneficiary under similar conditions, provided that those errors, irregularities, fraud or breach of obligations have a material impact on this grant.

For the purposes of points (e), (g) and (h) "any related person" shall mean any natural person who has the power to represent the beneficiary or to take decisions on its behalf.

**II.16.2.2** Before terminating the Agreement, the Commission shall formally notify the beneficiary of its intention to terminate, specifying the reasons thereof and inviting the beneficiary, within 45 calendar days from receipt of the notification, to submit observations and, in the case of point (b) of Article II.16.2.1, to inform the Commission about the measures taken to ensure that it continues to fulfil its obligations under the Agreement.

If, after examination of the observations submitted by the beneficiary, the Commission decides to stop the termination procedure, it shall formally notify the beneficiary thereof.

If no observations have been submitted or if, despite the observations submitted by the beneficiary, the Commission decides to pursue the termination procedure, it may terminate the Agreement by formally notifying the beneficiary thereof, specifying the reasons for the termination.

In the cases referred to in points (a), (b), (d) and (f) of Article II.16.2.1, the formal notification shall specify the date on which the termination takes effect. In the cases referred to in points (c), (e), (g), (h) and (i) of Article II.16.2.1, the termination shall take effect on the day following the date on which the formal notification was received by the beneficiary.

### **II.16.3 Effects of termination**

Where the Agreement is terminated, payments by the Commission shall be limited to the amount determined in accordance with Article II.25 on the basis of the eligible costs incurred by the beneficiary and the actual level of implementation of the action on the date when the termination takes effect. Costs relating to current commitments, which are not due for execution until after the termination, shall not be taken into account. The beneficiary shall have 60 days from the date when the termination of the Agreement takes effect, as provided for in Articles II.16.1 and II.16.2.2, to produce a request for payment of the balance in accordance with Article II.23.2. If no request for payment of the balance is received within this time limit, the Commission shall not reimburse or cover any costs which are not included in a financial statement approved by it or which are not justified in a technical report approved by it. In accordance with Article II.26, the Commission shall recover any amount already paid, if its use is not substantiated by the technical reports and, where applicable, by the financial statements approved by the Commission.

Where the Commission, in accordance with point (b) of Article II.16.2.1, is terminating the Agreement on the grounds that the beneficiary has failed to produce the request for payment and, after a reminder, has still not complied with this obligation within the deadline set out in Article II.23.3, the first subparagraph shall apply, subject to the following:

- (a) there shall be no additional time period from the date when the termination of the Agreement takes effect for the beneficiary to produce a request for payment of the balance in accordance with Article II.23.2; and
- (b) the Commission shall not reimburse or cover any costs incurred by the beneficiary up to the date of termination or up to the end of the period set out in Article I.2.2, whichever is the earlier, which are not included in a financial statement approved by it or which are not justified in a technical report approved by it.

In addition to the first and second subparagraphs, where the Agreement is terminated improperly by the beneficiary within the meaning of Article II.16.1, or where the Agreement is terminated by the Commission on the grounds set out in points (b), (e), (g), (h) and (i) of Article II.16.2.1, the Commission may also reduce the grant or recover amounts unduly paid

in accordance with Articles II.25.4 and II.26, in proportion to the gravity of the failings in question and after allowing the beneficiary to submit its observations.

Neither party shall be entitled to claim compensation on account of a termination by the other party.

## **ARTICLE II.17 – ADMINISTRATIVE AND FINANCIAL PENALTIES**

**II.17.1** By virtue of Articles 109 and 131(4) of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and with due regard to the principle of proportionality, if the beneficiary has committed substantial errors, irregularities or fraud, has made false declarations in supplying required information or has failed to supply such information at the moment of the submission of the application or during the implementation of the grant, or has been found in serious breach of its obligations under the Agreement, it shall be liable to:

- (a) administrative penalties consisting of exclusion from all contracts and grants financed by the Union budget for a maximum of five years from the date on which the infringement is established and confirmed following a contradictory procedure with the beneficiary; and/or
- (b) financial penalties of 2% to 10% of the maximum amount of the grant set out in Article I.3.

In the event of another infringement within five years following the establishment of the first infringement, the period of exclusion under point (a) may be extended to 10 years and the range of the rate referred to in point (b) may be increased to 4% to 20%.

**II.17.2** The Commission shall formally notify the beneficiary of any decision to apply such penalties.

The Commission is entitled to publish such decision under the conditions and within the limits specified in Article 109(3) of Regulation (EU, Euratom) No 966/2012.

An action may be brought against such decision before the General Court of the European Union, pursuant to Article 263 of the Treaty on the Functioning of the European Union ("TFEU").

## **ARTICLE II.18 – APPLICABLE LAW, SETTLEMENT OF DISPUTES AND ENFORCEABLE DECISION**

**II.18.1** The Agreement is governed by the applicable Union law complemented, where necessary, by the law of Belgium.

**II.18.2** Pursuant to Article 272 TFEU, the General Court or, on appeal, the Court of Justice of the European Union, shall have sole jurisdiction to hear any dispute between the

Union and the beneficiary concerning the interpretation, application or validity of this Agreement, if such dispute cannot be settled amicably.

**II.18.3** By virtue of Article 299 TFEU, for the purposes of recoveries within the meaning of Article II.26 or financial penalties, the Commission may adopt an enforceable decision to impose pecuniary obligations on persons other than States. An action may be brought against such decision before the General Court of the European Union pursuant to Article 263 TFEU.

## **PART B – FINANCIAL PROVISIONS**

### **ARTICLE II.19 – ELIGIBLE COSTS**

#### **II.19.1 Conditions for the eligibility of costs**

"Eligible costs" of the action are costs actually incurred by the beneficiary which meet the following criteria:

- (a) they are incurred in the period set out in Article I.2.2, with the exception of costs relating to the request for payment of the balance and the corresponding supporting documents referred to in Article II.23.2;
- (b) they are indicated in the estimated budget set out in Annex III;
- (c) they are incurred in connection with the action as described in Annex I and are necessary for its implementation;
- (d) they are identifiable and verifiable, in particular being recorded in the accounting records of the beneficiary and determined according to the applicable accounting standards of the country where the beneficiary is established and with the usual cost accounting practices of the beneficiary;
- (e) they comply with the requirements of applicable tax and social legislation; and
- (f) they are reasonable, justified, and comply with the principle of sound financial management, in particular regarding economy and efficiency.

#### **II.19.2 Eligible direct costs**

"Direct costs" of the action are those specific costs which are directly linked to the implementation of the action and can therefore be attributed directly to it. They may not include any indirect costs.

To be eligible, direct costs shall comply with the conditions of eligibility set out in Article II.19.1.

In particular, the following categories of costs are eligible direct costs, provided that they satisfy the conditions of eligibility set out in Article II.19.1 as well as the following conditions:

- (a) the costs of personnel working under an employment contract with the beneficiary or an equivalent appointing act and assigned to the action, comprising actual salaries plus social security contributions and other statutory costs included in the remuneration, provided that these costs are in line with the beneficiary's usual policy on remuneration; those costs may also include additional remunerations, including payments on the basis of supplementary contracts regardless of the nature of those contracts, provided that they are paid in a consistent manner whenever the same kind of work or expertise is required, independently from the source of funding used;

The costs of natural persons working under a contract with the beneficiary other than an employment contract may be assimilated to such costs of personnel, provided that the following conditions are fulfilled:

- (i) the natural person works under the instructions of the beneficiary and, unless otherwise agreed with the beneficiary, in the premises of the beneficiary;
  - (ii) the result of the work belongs to the beneficiary; and
  - (iii) the costs are not significantly different from the costs of staff performing similar tasks under an employment contract with the beneficiary;
- (b) costs of travel and related subsistence allowances, provided that these costs are in line with the beneficiary's usual practices on travel;
- (c) the depreciation costs of equipment or other assets (new or second-hand) as recorded in the accounting statements of the beneficiary, provided that the asset has been purchased in accordance with Article II.9 and that it is written off in accordance with the international accounting standards and the usual accounting practices of the beneficiary; the costs of rental or lease of equipment or other assets are also eligible, provided that these costs do not exceed the depreciation costs of similar equipment or assets and are exclusive of any finance fee;

Only the portion of the equipment's depreciation, rental or lease costs corresponding to the period set out in Article I.2.2 and the rate of actual use for the purposes of the action may be taken into account. By way of exception, the Special Conditions may provide for the eligibility of the full cost of purchase of equipment, where justified by the nature of the action and the context of the use of the equipment or assets;

- (d) costs of consumables and supplies, provided that they are purchased in accordance with Article II.9 and are directly assigned to the action;
- (e) costs arising directly from requirements imposed by the Agreement (dissemination of information, specific evaluation of the action, audits, translations, reproduction), including the costs of requested financial guarantees, provided that the corresponding services are purchased in accordance with Article II.9;
- (f) costs entailed by subcontracts within the meaning of Article II.10, provided that the conditions laid down in that Article are met;
- (g) costs of financial support to third parties within the meaning of Article II.11, provided that the conditions laid down in that Article are met;
- (h) duties, taxes and charges paid by the beneficiary, notably value added tax (VAT), provided that they are included in eligible direct costs, and unless specified otherwise in the Agreement.

### **II.19.3 Eligible indirect costs**

"Indirect costs" of the action are those costs which are not specific costs directly linked to the implementation of the action and can therefore not be attributed directly to it. They may not include any costs identifiable or declared as eligible direct costs.

To be eligible, indirect costs shall represent a fair apportionment of the overall overheads of the beneficiary and shall comply with the conditions of eligibility set out in Article II.19.1.

Unless otherwise specified in the Article I.3, eligible indirect costs shall be declared on the basis of a flat rate of 7% of the total eligible direct costs.

#### **II.19.4 Ineligible costs**

In addition to any other costs which do not fulfill the conditions set out in Article II.19.1, the following costs shall not be considered eligible:

- (a) return on capital;
- (b) debt and debt service charges;
- (c) provisions for losses or debts;
- (d) interest owed;
- (e) doubtful debts;
- (f) exchange losses;
- (g) costs of transfers from the Commission charged by the bank of the beneficiary;
- (h) costs declared by the beneficiary in the framework of another action receiving a grant financed from the Union budget (including grants awarded by a Member State and financed from the Union budget and grants awarded by other bodies than the Commission for the purpose of implementing the Union budget); in particular, indirect costs shall not be eligible under a grant for an action awarded to the beneficiary when it already receives an operating grant financed from the Union budget during the period in question;
- (i) contributions in kind from third parties;
- (j) excessive or reckless expenditure;
- (k) deductible VAT.

### **ARTICLE II.20 – IDENTIFIABILITY AND VERIFIABILITY OF THE AMOUNTS DECLARED**

#### **II.20.1 Reimbursement of actual costs**

Where, in accordance with Article I.3(a)(i), the grant takes the form of the reimbursement of actual costs, the beneficiary must declare as eligible costs the costs it actually incurred for the action.

If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the costs declared, such as contracts, invoices and accounting records. In addition, the beneficiary's usual accounting and internal control procedures must permit direct reconciliation of the amounts declared with the amounts recorded in its accounting statements as well as with the amounts indicated in the supporting documents.

#### **II.20.2 Reimbursement of pre-determined unit costs or pre-determined unit contribution**

Where, in accordance with Article I.3(a)(ii) or (b), the grant takes the form of the reimbursement of unit costs or of a unit contribution, the beneficiary must declare as eligible costs or as requested contribution the amount obtained by multiplying the amount per unit specified in Article I.3(a)(ii) or (b) by the actual number of units used or produced.

If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the number of units declared. However, the beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, notably accounting statements, to prove the amount declared per unit.

#### **II.20.3 Reimbursement of pre-determined lump sum costs or pre-determined lump sum contribution**

Where, in accordance with Article I.3(a)(iii) or (c), the grant takes the form of the reimbursement of lump sum costs or of a lump sum contribution, the beneficiary must declare as eligible costs or as requested contribution the global amount specified in Article I.3(a)(iii) or (c), subject to the proper implementation of the corresponding tasks or part of the action as described in Annex I.

If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the proper implementation. However, the beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, notably accounting statements, to prove the amount declared as lump sum.

#### **II.20.4 Reimbursement of pre-determined flat-rate costs or pre-determined flat-rate contribution**

Where, in accordance with Article I.3(a)(iv) or (d), the grant takes the form of the reimbursement of flat-rate costs or of a flat-rate contribution, the beneficiary must

declare as eligible costs or as requested contribution the amount obtained by applying the flat rate specified in Article I.3(a)(iv) or (d).

If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the eligible costs or requested contribution to which the flat rate applies. However, the beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, notably accounting statements, for the flat rate applied.

#### **II.20.5 Reimbursement of costs declared on the basis of the beneficiary's usual cost accounting practices**

Where, in accordance with Article I.3(a)(v), the grant takes the form of the reimbursement of unit costs declared on the basis of the beneficiary's usual cost accounting practices, the beneficiary must declare as eligible costs the amount obtained by multiplying the amount per unit calculated in accordance with its usual cost accounting practices by the actual number of units used or produced. If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the number of units declared.

Where, in accordance with Article I.3(a)(v), the grant takes the form of the reimbursement of lump sum costs declared on the basis of the beneficiary's usual cost accounting practices, the beneficiary must declare as eligible costs the global amount calculated in accordance with its usual cost accounting practices, subject to the proper implementation of the corresponding tasks or part of the action. If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the proper implementation.

Where, in accordance with Article I.3(a)(v), the grant takes the form of the reimbursement of flat-rate costs declared on the basis of the beneficiary's usual cost accounting practices, the beneficiary must declare as eligible costs the amount obtained by applying the flat rate calculated in accordance with its usual cost accounting practices. If requested to do so in the context of the checks or audits described in Article II.27, the beneficiary must be able to provide adequate supporting documents to prove the eligible costs to which the flat rate applies.

In all three cases provided for in the first, second and third subparagraphs, the beneficiary does not need to identify the actual eligible costs covered, but it must ensure that the cost accounting practices used for the purpose of declaring eligible costs are in compliance with the following conditions:

- (a) the cost accounting practices used constitute its usual cost accounting practices and are applied in a consistent manner, based on objective criteria independent from the source of funding;
- (b) the costs declared can be directly reconciled with the amounts recorded in its general accounts; and

- (c) the categories of costs used for the purpose of determining the costs declared are exclusive of any ineligible cost or costs covered by other forms of grant in accordance with Article I.3.

Where the Special Conditions provide for the possibility for the beneficiary to request the Commission to assess the compliance of its usual cost accounting practices, the beneficiary may submit a request for assessment, which, where required by the Special Conditions, shall be accompanied by a certificate on the compliance of the cost accounting practices (“certificate on the compliance of the cost accounting practices”).

The certificate on the compliance of the cost accounting practices shall be produced by an approved auditor or, in case of public bodies, by a competent and independent public officer and drawn up in accordance with the Annex VIII.

The certificate shall certify that the beneficiary's cost accounting practices used for the purpose of declaring eligible costs comply with the conditions laid down in the fourth subparagraph and with the additional conditions which may be laid down in the Special Conditions.

Where the Commission has confirmed that the usual cost accounting practices of the beneficiary are in compliance, costs declared in application of these practices shall not be challenged *ex post*, provided that the practices actually used comply with those approved by the Commission and that the beneficiary did not conceal any information for the purpose of their approval.

## **ARTICLE II.21 – ELIGIBILITY OF COSTS OF ENTITIES AFFILIATED TO THE BENEFICIARY**

Where the Special Conditions contain a provision on entities affiliated to the beneficiary, costs incurred by such an entity are eligible, provided that they satisfy the same conditions under Articles II.19 and II.20 as apply to the beneficiary, and that the beneficiary ensures that the conditions applicable to it under Articles II.3, II.4, II.5, II.7, II.9, II.10, and II.27 are also applicable to the entity.

## **ARTICLE II.22 – BUDGET TRANSFERS**

Without prejudice to Article II.10 and provided that the action is implemented as described in Annex I, the beneficiary is allowed to adjust the estimated budget set out in Annex III, by transfers between the different budget categories, without this adjustment being considered as an amendment of the Agreement within the meaning of Article II.12.

The first subparagraph does not apply to amounts which, in accordance with Article I.3(a)(iii) or (c), take the form of lump sums.

## **ARTICLE II.23 – TECHNICAL AND FINANCIAL REPORTING – REQUESTS FOR PAYMENT AND SUPPORTING DOCUMENTS**

### **II.23.1 Requests for further pre-financing payments and supporting documents**

Where, in accordance with Article I.4.1, the pre-financing shall be paid in several instalments and where Article I.4.1 provides for a further pre-financing payment subject to having used all or part of the previous instalment, the beneficiary may submit a request for a further pre-financing payment once the percentage of the previous instalment specified in Article I.4.1 has been used.

Where, in accordance with Article I.4.1, the pre-financing shall be paid in several instalments and where Article I.4.1 provides for a further pre-financing payment at the end of a reporting period, the beneficiary shall submit a request for a further pre-financing payment within 60 days following the end of each reporting period for which a new pre-financing payment is due.

In both cases, the request shall be accompanied by the following documents:

- (a) a progress report on implementation of the action (“technical report on progress”);
- (b) a statement on the amount of the previous pre-financing instalment used to cover costs of the action (“statement on the use of the previous pre-financing instalment”), drawn up in accordance with Annex V; and
- (c) where required by Article I.4.1, a financial guarantee.

### **II.23.2 Requests for interim payments or for payment of the balance and supporting documents**

The beneficiary shall submit a request for an interim payment or for payment of the balance within 60 days following the end of each reporting period for which, in accordance with Article I.4.1, an interim payment or the payment of the balance is due.

This request shall be accompanied by the following documents:

- (a) an interim report (“interim technical report”) or, for the payment of the balance, a final report on implementation of the action (“final technical report”), drawn up in accordance with Annex IV; the interim or final technical report must contain the information needed to justify the eligible costs declared or the contribution requested on the basis of unit costs and lump sums where the grant takes the form of the reimbursement of unit or lump sum costs or of a unit or lump sum contribution in accordance with Article I.3(a)(ii), (iii), (b) or (c), as well as information on subcontracting as referred to in Article II.10.2(d);
- (b) an interim financial statement (“interim financial statement”) or, for the payment of the balance, a final financial statement (“final financial statement”); the interim or final financial statements must include a breakdown of the amounts claimed by the beneficiary and its affiliated entities; it must be drawn up in accordance with the structure of the estimated budget set out in Annex III and with Annex V and detail the

amounts for each of the forms of grant set out in Article I.3 for the reporting period concerned;

- (c) only for the payment of the balance, a summary financial statement (“summary financial statement”); this statement must include a breakdown of the amounts declared or requested by the beneficiary and its affiliated entities, aggregating the financial statements already submitted previously and indicating the receipts referred to in Article II.25.3.2 for the beneficiary and its affiliated entities; it must be drawn up in accordance with Annex V;
- (d) a certificate on the financial statements and underlying accounts (“certificate on the financial statements”) where the following conditions are met:

- (i) in case of a grant for an action, where such a certificate is required by Article I.4.1 or where both the total contribution in the form of reimbursement of actual costs as referred to in Article I.3(a)(i) is at least EUR 750 000 and the beneficiary requests a reimbursement in that form of at least EUR 325 000 (when adding all previous reimbursements in that form for which a certificate on the financial statements has not been submitted),

- (ii) in case of an operating grant, where such a certificate is required by Article I.4.1 or where the total contribution in the form of reimbursement of actual costs as referred to in Article I.3(a)(i) is at least EUR 100 000.

This certificate shall be produced by an approved auditor or, in case of public bodies, by a competent and independent public officer and drawn up in accordance with Annex VI. It shall certify that the costs declared in the interim or final financial statement by the beneficiary or its affiliated entities for the categories of costs reimbursed in accordance with Article I.3(a)(i) are real, accurately recorded and eligible in accordance with the Agreement. In addition, for the payment of the balance, it shall certify that all the receipts referred to in Article II.25.3.2 have been declared; and

- (e) where required by Article I.4.1, an operational verification report (“operational verification report”), produced by an independent third party approved by the Commission and drawn up in accordance with Annex VII.

This report shall state that the actual implementation of the action as described in the interim or final report complies with the conditions set out in the Agreement.

The beneficiary shall certify that the information provided in the request for interim payment or for payment of the balance is full, reliable and true. It shall also certify that the costs incurred can be considered eligible in accordance with the Agreement and that the request for payment is substantiated by adequate supporting documents that can be produced in the context of the checks or audits described in Article II.27. In addition, for the payment of the balance, it shall certify that all the receipts referred to in Article II.25.3.2 have been declared.

### **II.23.3 Non-submission of documents**

Where the beneficiary has failed to submit a request for interim payment or payment of the balance accompanied by the documents referred to above within 60 days following the end of

the corresponding reporting period and where the beneficiary still fails to submit such a request within 60 days following a written reminder sent by the Commission, the Commission reserves the right to terminate the Agreement in accordance with Article II.16.2.1(b), with the effects described in the second and the third subparagraphs of Article II.16.3.

#### **II.23.4 Currency for requests for payment and financial statements and conversion into euro**

Requests for payment and financial statements shall be drafted in euro.

Where the beneficiary keeps its general accounts in a currency other than the euro, it shall convert costs incurred in another currency into euro at the average of the daily exchange rates published in the C series of *Official Journal of the European Union*, determined over the corresponding reporting period. Where no daily euro exchange rate is published in the *Official Journal of the European Union* for the currency in question, conversion shall be made at the average of the monthly accounting rates established by the Commission and published on its website ([http://ec.europa.eu/budget/contracts\\_grants/info\\_contracts/inforeuro/inforeuro\\_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm)), determined over the corresponding reporting period.

Where the beneficiary keeps its general accounts in euro, it shall convert costs incurred in another currency into euro according to its usual accounting practices.

### **ARTICLE II.24 – PAYMENTS AND PAYMENT ARRANGEMENTS**

#### **II.24.1 Pre-financing**

The pre-financing is intended to provide the beneficiary with a float.

Without prejudice to Article II.24.6, where Article I.4.1 provides for a pre-financing payment upon entry into force of the Agreement, the Commission shall pay to the beneficiary within 30 days following that date or, where required by Article I.4.1, following receipt of the financial guarantee.

Where payment of pre-financing is conditional on receipt of a financial guarantee, the financial guarantee shall fulfill the following conditions:

- (a) it is provided by a bank or an approved financial institution or, at the request of the beneficiary and acceptance by the Commission, by a third party;
- (b) the guarantor stands as first-call guarantor and does not require the Commission to have recourse against the principal debtor (i.e. the beneficiary); and
- (c) it provides that it remains in force until the pre-financing is cleared against interim payments or payment of the balance by the Commission and, in case the payment of the balance is made in the form of a debit note, three months after the debit note is notified to the beneficiary. The Commission shall release the guarantee within the following month.

### **II.24.2 Further pre-financing payments**

Without prejudice to Articles II.24.5 and II.24.6, on receipt of the documents referred to in Article II.23.1, the Commission shall pay to the beneficiary the new pre-financing instalment within 60 days.

Where the statement on the use of the previous pre-financing instalment submitted in accordance with Article II.23.1 shows that less than 70% of the previous pre-financing instalment paid has been used to cover costs of the action, the amount of the new pre-financing to be paid shall be reduced by the difference between the 70% threshold and the amount used.

### **II.24.3 Interim payments**

Interim payments are intended to reimburse or cover the eligible costs incurred for the implementation of the action during the corresponding reporting periods.

Without prejudice to Articles II.24.5 and II.24.6, on receipt of the documents referred to in Article II.23.2, the Commission shall pay to the beneficiary the amount due as interim payment within the time limit specified in Article I.4.2.

This amount shall be determined following approval of the request for interim payment and of the accompanying documents and in accordance with the fourth, fifth and sixth subparagraphs. Approval of the request for interim payment and of the accompanying documents shall not imply recognition of the regularity or of the authenticity, completeness and correctness of the declarations and information it contains.

Without prejudice to any ceiling set out in Article I.4.1 and to Articles II.24.5 and II.24.6, the amount due as interim payment shall be determined as follows:

- (a) where, in accordance with Article I.3(a), the grant takes the form of the reimbursement of eligible costs, the amount obtained by application of the reimbursement rate specified in that Article to the eligible costs of the action approved by the Commission for the concerned reporting period and the corresponding categories of costs, for the beneficiary and its affiliated entities; if Article I.4.1 specifies another reimbursement rate, this other rate shall be applied instead;
- (b) where, in accordance with Article I.3(b), the grant takes the form of a unit contribution, the amount obtained by multiplying the unit contribution specified in that Article by the actual number of units approved by the Commission for the concerned reporting period for the beneficiary and its affiliated entities;
- (c) where, in accordance with Article I.3(c), the grant takes the form of a lump sum contribution, the lump sum specified in that Article for the beneficiary and its affiliated entities, subject to approval by the Commission of the proper implementation during the concerned reporting period of the corresponding tasks or part of the action in accordance with Annex I;

- (d) where, in accordance with Article I.3(d), the grant takes the form of a flat-rate contribution, the amount obtained by applying the flat rate referred to in that Article to the eligible costs or to the contribution accepted by the Commission for the concerned reporting period for the beneficiary and its affiliated entities.

Where Article I.3 provides for a combination of different forms of grant, these amounts shall be added.

Where Article I.4.1 requires that the interim payment clears all or part of the pre-financing paid to the beneficiary, the amount of pre-financing to be cleared shall be deducted from the amount due as interim payment, as determined in accordance with the fourth and fifth subparagraphs.

#### **II.24.4 Payment of the balance**

The payment of the balance, which may not be repeated, is intended to reimburse or cover after the end of period set out in Article I.2.2 the remaining part of the eligible costs incurred by the beneficiary for its implementation. Where the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance may take the form of a recovery as provided for by Article II.26.

Without prejudice to Articles II.24.5 and II.24.6, on receipt of the documents referred to in Article II.23.2, the Commission shall pay the amount due as the balance within the time limit specified in Article I.4.2.

This amount shall be determined following approval of the request for payment of the balance and of the accompanying documents and in accordance with the fourth subparagraph. Approval of the request for payment of the balance and of the accompanying documents shall not imply recognition of the regularity or of the authenticity, completeness and correctness of the declarations and information it contains.

The amount due as the balance shall be determined by deducting, from the final amount of the grant determined in accordance with Article II.25, the total amount of pre-financing and interim payments already made.

#### **II.24.5 Suspension of the time limit for payment**

The Commission may suspend the time limit for payment specified in Articles I.4.2 and II.24.2 at any time by formally notifying the beneficiary that its request for payment cannot be met, either because it does not comply with the provisions of the Agreement, or because the appropriate supporting documents have not been produced, or because there is doubt about the eligibility of the costs declared in the financial statement.

The beneficiary shall be notified as soon as possible of any such suspension, together with the reasons thereof.

Suspension shall take effect on the date when notification is sent by the Commission. The remaining payment period shall start to run again from the date on which the requested information or revised documents are received or the necessary further verification, including on-the-spot checks, is carried out. Where the suspension exceeds two months, the beneficiary may request a decision by the Commission on whether the suspension is to be continued.

Where the time limit for payment has been suspended following the rejection of one of the technical reports or financial statements provided for by Article II.23 and the new report or statement submitted is also rejected, the Commission reserves the right to terminate the Agreement in accordance with Article II.16.2.1(b), with the effects described in Article II.16.3.

#### **II.24.6 Suspension of payments**

The Commission may, at any time during the implementation of the Agreement, suspend the pre-financing payments, interim payments or payment of the balance:

- (a) if the Commission has evidence that the beneficiary has committed substantial errors, irregularities or fraud in the award procedure or in the implementation of the grant, or if the beneficiary fails to comply with its obligations under the Agreement;
- (b) if the Commission has evidence that the beneficiary has committed systemic or recurrent errors, irregularities, fraud or breach of obligations under other grants funded by the Union or by the European Atomic Energy Community which were awarded to the beneficiary under similar conditions, provided that those errors, irregularities, fraud or breach of obligations have a material impact on this grant; or
- (c) if the Commission suspects substantial errors, irregularities, fraud or breach of obligations committed by the beneficiary in the award procedure or in the implementation of the Agreement and needs to verify whether they have actually occurred.

Before suspending payments, the Commission shall formally notify the beneficiary of its intention to suspend payments, specifying the reasons thereof and, in the cases referred to in points (a) and (b) of the first subparagraph, the necessary conditions for resuming payments. The beneficiary shall be invited to make any observations within 30 calendar days from receipt of this notification.

If, after examination of the observations submitted by the beneficiary, the Commission decides to stop the procedure of payment suspension, the Commission shall formally notify the beneficiary thereof.

If no observations have been submitted or if, despite the observations submitted by the beneficiary, the Commission decides to pursue the procedure of payment suspension, it may suspend payments by formally notifying the beneficiary, specifying the reasons for the suspension and, in the cases referred to in points (a) and (b) of the first subparagraph, the definitive conditions for resuming payments or, in the case referred to in point (c) of the first subparagraph, the indicative date of completion of the necessary verification.

The suspension of payments shall take effect on the date when the notification is sent by the Commission.

In order to resume payments, the beneficiary shall endeavour to meet the notified conditions as soon as possible and shall inform the Commission of any progress made in this respect.

The Commission shall, as soon as it considers that the conditions for resuming payments have been met or the necessary verification, including on-the-spot checks, has been carried out, formally notify the beneficiary thereof.

During the period of suspension of payments and without prejudice to the right to suspend the implementation in accordance with Article II.15.1 or to terminate the Agreement in accordance with Article II.16.1, the beneficiary is not entitled to submit any requests for payments and supporting documents referred to in Article II.23.

The corresponding requests for payments and supporting documents may be submitted as soon as possible after resumption of payments or may be included in the first request for payment due following resumption of payments in accordance with the schedule laid down in Article I.4.1

#### **II.24.7 Notification of amounts due**

The Commission shall formally notify the amounts due, specifying whether it is a further pre-financing payment, an interim payment or the payment of the balance. In the case of payment of the balance, it shall also specify the final amount of the grant determined in accordance with Article II.25.

#### **II.24.8 Interest on late payment**

On expiry of the time limits for payment specified in Articles I.4.2, II.24.1 and II.24.2, and without prejudice to Articles II.24.5 and II.24.6, the beneficiary is entitled to interest on late payment at the rate applied by the European Central Bank for its main refinancing operations in euros ("the reference rate"), plus three and a half points. The reference rate shall be the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the *Official Journal of the European Union*.

The first subparagraph shall not apply where the beneficiary is a Member State of the Union, including regional and local government authorities and other public bodies acting in the name and on behalf of the Member State for the purpose of this Agreement.

The suspension of the time limit for payment in accordance with Article II.24.5 or of payment by the Commission in accordance with Article II.24.6 may not be considered as late payment.

Interest on late payment shall cover the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article II.24.10. The interest payable shall not be considered for the purposes of determining the final amount of grant within the meaning of Article II.25.3.

By way of derogation from the first subparagraph, when the calculated interest is lower than or equal to EUR 200, it shall be paid to the beneficiary only upon request submitted within two months of receiving late payment.

#### **II.24.9 Currency for payments**

Payments by the Commission shall be made in euro.

#### **II.24.10 Date of payment**

Payments by the Commission shall be deemed to be effected on the date when they are debited to the Commission's account.

#### **II.24.11 Costs of payment transfers**

Costs of the payment transfers shall be borne in the following way:

- (a) costs of transfer charged by the bank of the Commission shall be borne by the Commission;
- (b) costs of transfer charged by the bank of the beneficiary shall be borne by the beneficiary;
- (c) all costs of repeated transfers caused by one of the parties shall be borne by the party which caused the repetition of the transfer.

### **ARTICLE II.25 – DETERMINING THE FINAL AMOUNT OF THE GRANT**

#### **II.25.1 Calculation of the final amount**

Without prejudice to Articles II.25.2, II.25.3 and II.25.4, the final amount of the grant shall be determined as follows:

- (a) where, in accordance with Article I.3(a), the grant takes the form of the reimbursement of eligible costs, the amount obtained by application of the reimbursement rate specified in that Article to the eligible costs of the action approved by the Commission for the corresponding categories of costs, for the beneficiary and its affiliated entities;
- (b) where, in accordance with Article I.3(b), the grant takes the form of a unit contribution, the amount obtained by multiplying the unit contribution specified that Article by the actual number of units approved by the Commission for the beneficiary and its affiliated entities;
- (c) where, in accordance with Article I.3(c), the grant takes the form of a lump sum contribution, the lump sum specified in that Article for the beneficiary and its affiliated entities, subject to approval by the Commission of the proper implementation of the corresponding tasks or part of the action in accordance with Annex I;

- (d) where, in accordance with Article I.3(d), the grant takes the form of a flat-rate contribution, the amount obtained by applying the flat rate referred to in that Article to the eligible costs or to the contribution accepted by the Commission for the beneficiary and its affiliated entities.

Where Article I.3 provides for a combination of different forms of grant, these amounts shall be added.

## **II.25.2 Maximum amount**

The total amount paid to the beneficiary by the Commission may in no circumstances exceed the maximum amount specified in Article I.3.

Where the amount determined in accordance with Article II.25.1 exceeds this maximum amount, the final amount of the grant shall be limited to the maximum amount specified in Article I.3.

## **II.25.3 No-profit rule and taking into account of receipts**

**II.25.3.1** The grant may not produce a profit for the beneficiary, unless specified otherwise in the Special Conditions. "Profit" shall mean a surplus of the receipts over the eligible costs of the action.

**II.25.3.2** The receipts to be taken into account are the receipts established, generated or confirmed on the date on which the request for payment of the balance is drawn up by the beneficiary, which fall within one of the following two categories:

- (a) income generated by the action; or
- (b) financial contributions specifically assigned by the donors to the financing of the eligible costs of the action reimbursed by the Commission in accordance with Article I.3(a)(i).

**II.25.3.3** The following shall not be considered as a receipt to be taken into account for the purpose of verifying whether the grant produces a profit for the beneficiary:

- (a) financial contributions referred to in point (b) of Article II.25.3.2, which may be used by the beneficiary to cover costs other than the eligible costs under the Agreement;
- (b) financial contributions referred to in point (b) of Article II.25.3.2, the unused part of which is not due to the donor at the end of the period set out in Article I.2.2;
- (c) in case of an operating grant, amounts dedicated to the building up of reserves.

**II.25.3.4** The eligible costs to be taken into account are the eligible costs approved by the Commission for the categories of costs reimbursed in accordance with Article I.3(a).

**II.25.3.5** Where the final amount of the grant determined in accordance with Articles II.25.1 and II.25.2 would result in a profit for the beneficiary, the profit shall be deducted in proportion to the final rate of reimbursement of the actual eligible costs of the action approved by the Commission for the categories of costs referred to in Article I.3(a)(i). This final rate shall be calculated on the basis of the final amount of the

grant in the form referred to in Article I.3(a)(i), as determined in accordance with Articles II.25.1 and II.25.2.

#### **II.25.4 Reduction for poor, partial or late implementation**

If the action is not implemented or is implemented poorly, partially or late, the Commission may reduce the grant initially provided for, in line with the actual implementation of the action according to the terms laid down in the Agreement.

### **ARTICLE II.26 – RECOVERY**

#### **II.26.1 Financial responsibility**

Where an amount is to be recovered under the terms of the Agreement, the beneficiary shall repay the Commission the amount in question. The beneficiary shall be responsible for the repayment of any amount unduly paid by the Commission as a contribution towards the costs incurred by its affiliated entities.

#### **II.26.2 Recovery procedure**

Before recovery, the Commission shall formally notify the beneficiary of its intention to recover the amount unduly paid, specifying the amount due and the reasons for recovery and inviting the beneficiary to make any observations within a specified period.

If no observations have been submitted or if, despite the observations submitted by the beneficiary, the Commission decides to pursue the recovery procedure, the Commission may confirm recovery by formally notifying to the beneficiary a debit note (“debit note”), specifying the terms and the date for payment.

If payment has not been made by the date specified in the debit note, the Commission shall recover the amount due:

- (a) by offsetting it against any amounts owed to the beneficiary by the Union or the European Atomic Energy Community (Euratom) (“offsetting”); in exceptional circumstances, justified by the necessity to safeguard the financial interests of the Union, the Commission may recover by offsetting before the due date; the beneficiary’s prior consent shall not be required; an action may be brought against such offsetting before the General Court of the European Union pursuant to Article 263 TFEU;
- (b) by drawing on the financial guarantee where provided for in accordance with Article I.4.1 (“drawing on the financial guarantee”);
- (c) by taking legal action in accordance with Article II.18.2 or with the Special Conditions or by adopting an enforceable decision in accordance with Article II.18.3.

#### **II.26.3 Interest on late payment**

If payment has not been made by the date set out in the debit note, the amount due shall bear interest at the rate established in Article II.24.8. Interest on late payment shall cover the period running from the day following the due date for payment, up to and including the date when the Commission actually receives payment in full of the outstanding amount.

Any partial payment shall first be appropriated against charges and interest on late payment and then against the principal.

#### **II.26.4 Bank charges**

Bank charges incurred in connection with the recovery of the sums owed to the Commission shall be borne by the beneficiary except where Directive 2007/64/EC of the European Parliament and of the Council of 13 November 2007 on payment services in the internal market amending Directives 97/7/EC, 2002/65/EC, 2005/60/EC and 2006/48/EC and repealing Directive 97/5/EC applies.

### **ARTICLE II.27 – CHECKS, AUDITS AND EVALUATION**

#### **II.27.1 Technical and financial checks or audits and interim and final evaluations**

The Commission may carry out technical and financial checks and audits in relation to the use of the grant. It may also check the statutory records of the beneficiary for the purpose of periodic assessments of lump sum, unit cost or flat-rate amounts.

Information and documents provided in the framework of checks or audits shall be treated on a confidential basis.

In addition, the Commission may carry out interim or final evaluation of the impact of the action measured against the objective of the Union programme concerned.

Checks, audits or evaluations made by the Commission may be carried out either directly by its own staff or by any other outside body authorised to do so on its behalf.

Such checks, audits or evaluations may be initiated during the implementation of the Agreement and for a period of five years starting from the date of payment of the balance. This period shall be limited to three years if the maximum amount specified in Article I.3 is not more than EUR 60 000.

The check, audit or evaluation procedure shall be deemed to be initiated on the date of receipt of the letter of the Commission announcing it.

#### **II.27.2 Duty to keep documents**

The beneficiary shall keep all original documents, especially accounting and tax records, stored on any appropriate medium, including digitalised originals when they are authorised by its national law and under the conditions laid down therein, for a period of five years starting from the date of payment of the balance.

This period shall be limited to three years if the maximum amount specified in Article I.3 is not more than EUR 60 000.

The periods set out in the first and second subparagraphs shall be longer if there are on-going audits, appeals, litigation or pursuit of claims concerning the grant, including in the case referred to in Article II.27.7. In such cases, the beneficiary shall keep the documents until such audits, appeals, litigation or pursuit of claims are closed.

### **II.27.3 Obligation to provide information**

The beneficiary shall provide any information, including information in electronic format, requested by the Commission, or by any other outside body authorised by it, in the context of checks, audits or evaluations as referred to in Article II.27.1

In case the beneficiary does not comply with the obligation set out in the first subparagraph, the Commission may consider:

- (a) any cost insufficiently substantiated by information provided by the beneficiary as ineligible;
- (b) any unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the beneficiary as undue.

### **II.27.4 On-the-spot visits**

During an on-the-spot visit, the beneficiary shall allow Commission staff and outside personnel authorised by the Commission to have access to the sites and premises where the action is or was carried out, and to all the necessary information, including information in electronic format.

It shall ensure that the information is readily available at the moment of the on-the-spot visit and that information requested is handed over in an appropriate form.

In case the beneficiary refuses to provide access to the sites, premises and information in accordance with the first and second subparagraphs, the Commission may consider:

- (a) any cost insufficiently substantiated by information provided by the beneficiary as ineligible;
- (b) any unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the beneficiary as undue.

### **II.27.5 Contradictory audit procedure**

On the basis of the findings made during the audit, a provisional report (“draft audit report”) shall be drawn up. It shall be sent by the Commission or its authorised representative to the beneficiary, which shall have 30 days from the date of receipt to submit observations. The final report (“final audit report”) shall be sent to the beneficiary within 60 days of expiry of the time limit for submission of observations.

### **II.27.6 Effects of audit findings**

On the basis of the final audit findings, the Commission may take the measures which it considers necessary, including recovery of all or part of the payments made by it, in accordance with Article II.26.

In the case of final audit findings made after the payment of the balance, the amount to be recovered shall correspond to the difference between the revised final amount of the grant, determined in accordance with Article II.25, and the total amount paid to the beneficiary under the Agreement for the implementation of the action.

### **II.27.7 Correction of systemic or recurrent errors, irregularities, fraud or breach of obligations**

**II.27.7.1** The Commission may take all measures which it considers necessary, including recovery of all or part of the payments made by it under the Agreement, in accordance with Article II.26, where the following conditions are fulfilled:

- (a) the beneficiary is found, on the basis of an audit of other grants awarded to it under similar conditions, to have committed systemic or recurrent errors, irregularities, fraud or breach of obligations that have a material impact on this grant; and
- (b) the final audit report containing the findings of the systemic or recurrent errors, irregularities, fraud or breach of obligations is received by the beneficiary within the period referred to in Article II.27.1.

**II.27.7.2** The Commission shall determine the amount to be corrected under the Agreement:

- (a) wherever possible and practicable, on the basis of costs unduly declared as eligible under the Agreement.

For that purpose, the beneficiary shall revise the financial statements submitted under the Agreement taking account of the findings and resubmit them to the Commission within 60 days from the date of receipt of the final audit report containing the findings of the systemic or recurrent errors, irregularities, fraud or breach of obligations.

In the case of systemic or recurrent errors, irregularities, fraud or breach of obligations found after the payment of the balance, the amount to be recovered shall correspond to the difference between the revised final amount of the grant, determined in accordance with Article II.25 on the basis of the revised eligible costs declared by the beneficiary and approved by the Commission, and the total amount paid to the beneficiary under the Agreement for the implementation of the action;

- (b) where it is not possible or practicable to quantify precisely the amount of ineligible costs under the Agreement, by extrapolating the correction rate applied to the eligible costs for the grants for which the systemic or recurrent errors or irregularities have been found.

The Commission shall formally notify the extrapolation method to be applied to the beneficiary, which shall have 60 days from the date of receipt of the notification to submit observations and to propose a duly substantiated alternative method.

If the Commission accepts the alternative method proposed by the beneficiary, it shall formally notify the beneficiary thereof and determine the revised eligible costs by applying the accepted alternative method.

If no observations have been submitted or if the Commission does not accept the observations or the alternative method proposed by the beneficiary, the Commission shall formally notify the beneficiary thereof and determine the revised eligible costs by applying the extrapolation method initially notified to the beneficiary.

In the case of systemic or recurrent errors, irregularities, fraud or breach of obligations found after the payment of the balance, the amount to be recovered shall correspond to the difference between the revised final amount of the grant, determined in accordance with Article II.25 on the basis of the revised eligible costs after extrapolation, and the total amount paid to the beneficiary under the Agreement for the implementation of the action; or

- (c) where ineligible costs cannot serve as a basis for determining the amount to be corrected, by applying a flat rate correction to maximum amount of the grant specified in Article I.3 or part thereof, having regard to the principle of proportionality.

The Commission shall formally notify the flat rate to be applied to the beneficiary, which shall have 60 days from the date of receipt of the notification to submit observations and to propose a duly substantiated alternative flat rate.

If the Commission accepts the alternative flat rate proposed by the beneficiary, it shall formally notify the beneficiary thereof and correct the grant amount by applying the accepted alternative flat rate.

If no observations have been submitted or if the Commission does not accept the observations or the alternative flat rate proposed by the beneficiary, the Commission shall formally notify the beneficiary thereof and correct the grant amount by applying the flat rate initially notified to the beneficiary.

In the case of systemic or recurrent errors, irregularities, fraud or breach of obligations found after the payment of the balance, the amount to be recovered shall correspond to the difference between the revised final amount of the grant after flat-rate correction and the total amount paid to the beneficiary under the Agreement for the implementation of the action.

## **II.27.8 Checks and inspections by OLAF**

The European Anti-Fraud Office (OLAF) shall have the same rights as the Commission, notably right of access, for the purpose of checks and investigations.

By virtue of Council Regulation (Euratom, EC) No 2185/96 of 11 November 1996 concerning on-the-spot checks and inspections carried out by the Commission in order to protect the European Communities' financial interests against fraud and other irregularities and Regulation (EC) No 1073/1999 of the European Parliament and the Council of 25 May 1999 concerning investigations conducted by the European Anti-Fraud Office (OLAF), OLAF may also carry out on-the-spot checks and inspections in accordance with the procedures laid down by Union law for the protection of the financial interests of the Union against fraud and other irregularities.

Where appropriate, OLAF findings may lead to recovery by the Commission.

#### **II.27.9 Checks and audits by the European Court of Auditors**

The European Court of Auditors shall have the same rights as the Commission, notably right of access, for the purpose of checks and audits.

### Scope of Work

Our engagement was undertaken in accordance with:

- the terms of reference in annex to this Report and:
- International Standard on Related Services (‘ISRS’) 4400 *Engagements to perform Agreed-upon Procedures regarding Financial Information* as promulgated by the International Federation of Accountants (‘IFAC’);
- the *Code of Ethics for Professional Accountants* issued by the IFAC. Although ISRS 4400 provides that independence is not a requirement for agreed-upon procedures engagements, the European Commission requires that the Auditor also complies with the independence requirements of the *Code of Ethics for Professional Accountants*;

As requested, we have only performed the procedures set out in the terms of reference for this engagement and we have reported our factual findings on those procedures.

The scope of the agreed upon procedures has been determined solely by the European Commission and the procedures were performed solely to assist the European Commission in evaluating whether the costs claimed by the Beneficiary in the accompanying Financial Statement has been claimed in accordance with the Grant Agreement.

Because the procedures performed by us did not constitute either an audit or a review made in accordance with International Standards on Auditing or International Standards on Review Engagements, we do not express any assurance on the accompanying Financial Statements.

Had we performed additional procedures or had we performed an audit or review of the financial statements of the Beneficiary in accordance with International Standards on Auditing, other matters might have come to our attention that would have been reported to you.

### **Sources of Information**

The Report sets out information provided to us by the management of the Beneficiary in response to specific questions or as obtained and extracted from the Beneficiary's information and accounting systems.

### ***Procedures to be performed and Factual Findings***

The Auditor designs and carries out his verification work programme in accordance with the objective and scope of this engagement and the procedures to be performed as specified below. When performing these procedures the Auditor may apply techniques such as inquiry and analysis, (re)computation, comparison, other clerical accuracy checks, observation, inspection of records and documents, inspection of assets and obtaining confirmations.

The Auditor obtains sufficient appropriate verification evidence from these procedures to be able to draw up a report of factual findings.

#### **1 Obtaining a sufficient Understanding of the Terms and Conditions of the Grant Agreement**

The Auditor obtains a sufficient understanding of the Grant Agreement and other relevant information, in particular the related Guide for Applicants. The Auditor ensures that he obtains a copy of the original Grant Agreement with its annexes and of the relevant information.

#### **2 Procedures to verify the expenditure and income declared in the Financial Statement for the Action**

##### **2.1 General Procedures**

2.1.1 The Auditor verifies that the Financial Statement complies with the conditions of the Grant Agreement.

2.1.2 The Auditor examines whether the Beneficiary has complied with the rules for accounting and record keeping of the Grant Agreement notably with Article II.19 of the General Conditions. The Auditor verifies that the Beneficiary's accounting and internal auditing procedures permits direct reconciliation of the costs and income declared for the action with the corresponding accounting statements and supporting documents. He reports important exceptions and weaknesses with regard to accounting, record keeping and documentation requirements.

2.1.3 The Auditor reconciles the information in the Financial Statement to the Beneficiary's accounting system and records.

2.1.4 The Auditor verifies that the correct exchange rates have been applied for currency conversions where applicable and in accordance Article II.23.4 of the General Conditions.

## 2.2 Adequacy of final costs with the estimated budget

The Auditor carries out an analytical review of the costs items in the Final Financial Statement and:

- verifies that the budget in the Final Financial Statement follows the structure of the estimated budget and that the costs incurred were foreseen in the estimated budget of the action according to the Annex III of the Grant Agreement.
- verifies that the total amount claimed for payment by the Beneficiary does not exceed the maximum grant laid down in Article I.3 of the Grant Agreement and any amendment thereto.
- verifies that the conditions for profit in Article II.25.3 of the Grant Agreement were respected.

## 2.3 Selecting costs for Verification

### 2.3.1 Cost category

The costs claimed by the Beneficiary in the Final Financial Statement is presented under the following headings: *1 Staff costs, 2 Travel / subsistence costs, 3 Depreciation of equipment costs, 4 Costs of consumables and supplies, 5 Cost entailed by other contracts awarded by the Beneficiary for the purposes of carrying out the action, 6 Other direct costs, 7 Eligible indirect costs*. These headings can be broken down into sub-headings and items<sup>9</sup>.

The form and nature of the supporting evidence (e.g. a payment, a contract, an invoice etc.) and the way expenditure is recorded (i.e. journal entries) vary with the type and nature of the cost items and the underlying actions or transactions.

### 2.3.2 Selecting cost items

Value should be the primary factor used by the Auditor to select cost item for verification. The Auditor selects high value costs items to ensure an appropriate coverage of cost incurred.

## 2.4 Verification of Expenditure

The Auditor verifies the cost incurred and reports all the exceptions resulting from this verification.

### 2.4.1 Eligibility of Costs

The Auditor verifies the eligibility of direct and indirect costs with regard to Article II.19 of the General Conditions of the Grant Agreement.

He verifies that the eligible indirect costs do not exceed the flat rate indicated in Article II.19.3 or, where otherwise specified under Article I.3 of the Special Conditions, the corresponding flat rate.

The Auditor also considers non-eligible costs as described in Article II.19.4 of the General Conditions. In this respect the Auditor verifies in particular that expenditure does not include certain taxes, including VAT.<sup>10</sup>

---

<sup>9</sup>The smallest possible subdivision of the reported cost will be considered as an "item".

<sup>10</sup> Since 2011 VAT is a non-eligible cost for all **public and semi-public bodies** (i.e. all Eurostat grant beneficiaries). Thus VAT should be excluded from all amounts in the final financial statement.

#### 2.4.2 Accuracy and Recording

The Auditor verifies that expenditure for the action has been accurately and properly recorded in the Beneficiary's accounting system and the Final Financial Statement and that it is supported by appropriate evidence and supporting documents.

#### 2.4.3 Classification

The Auditor verifies that expenditure for a transaction or action has been classified under the correct heading of the Final Financial Statement.

### 2.5 Verification Coverage of Expenditure

The Auditor applies the principles and criteria set out below when planning and performing the procedures for expenditure verification of items 2.3 and 2.4 above.

Verification by the Auditor and verification coverage of cost items does not necessarily mean a complete and exhaustive verification of all cost items. The Auditor should ensure a systematic and representative verification.

#### 2.5.1 Expenditure Coverage Ratio ('ECR')

The Expenditure Coverage Ratio ('ECR') represents the total amount of expenditure verified by the Auditor expressed as a percentage of the total amount of expenditure reported by the Beneficiary in the Final Financial Statement.

The Auditor ensures that the overall ECR is at least **50%**. If he finds an exception rate of less than 10% of the total amount of expenditure verified (i.e. 5 %) the Auditor finalises verification procedures and continues with reporting. If the exception rate found is higher than 10% the Auditor extends verification procedures until the ECR is at least **75%**. The Auditor then finalises verification procedures and continues with reporting regardless of the total exception rate found.

The Auditor ensures that the **ECR for each expenditure item and sub-item** in the Final Financial statement is at least **10%**.

## 2.6 Specific procedures to be performed

### 2.6.1 Staff cost<sup>11</sup>

Procedures	Standard factual finding and basis for exception reporting
<p>1. Recalculate daily costs for staff (full coverage if less than 10 persons, otherwise a sample of 20% of all involved staff). Indicate the number of worked days and daily costs.</p> <p>Days worked represent the actual <b>working time per staff</b> involved in the action. This means that only the real number of weekends, holidays, public holidays and days of illness (no more than 10 days for sick leave) are deducted.</p> <p><b>Note:</b> Recalculation of staff costs is only required for reimbursement of actually incurred costs, <b>not of unit costs (Art. I.3 (a) ii of grant agreement).</b></p>	<p>For each staff in the sample of ____, the Auditor obtained the personnel costs (net salary and social charges) from the payroll system and days worked from the time sheets.</p> <p>For each staff selected, the Auditor recomputed the daily cost and compared the result to the daily costs declared by the Beneficiary. For staff costs reimbursed by unit costs he verified the application of the correct unit cost (rate per category).</p> <p><b>If the days worked or staff costs cannot be identified, this should be listed (together with the amounts concerned) as exceptions in the main report.</b></p>
<p>2. For the same selection examine and describe time recording of staff (paper/ computer, daily/weekly/monthly, signed, authorised).</p> <p>Applies equally, if unit costs were used.</p>	<p>Staff records their time on a daily/ weekly/ monthly basis using a paper/computer-based system.</p> <p>The time-records selected were authorised/validated by a superior.</p> <p><b>If no time records are available, this should be listed as an exception in the main report.</b></p>
<p>3. Employment status and employment conditions of staff.</p> <p>The Auditor should obtain the employment contracts of selected staff other than civil servants and compare these with the standard employment conditions used by the Beneficiary.</p> <p>If unit costs are used, the appropriate allocation of staff to the 6 categories shall be verified.</p>	<p>For the staff selected, the Auditor inspected their employment contracts and found that they were:</p> <ul style="list-style-type: none"> <li>– directly hired by the Beneficiary in accordance with its national legislation, and</li> <li>– remunerated in accordance with the normal practices of the Beneficiary.</li> </ul> <p>For staff paid on the basis of unit costs the appropriate allocation to the category was made.</p> <p><b>Staff not meeting these conditions should be listed (together with the amounts) as exceptions in the main report.</b></p>

<sup>11</sup> Statutory staff. For further details and explanations see "Guide for Applicants" (version related to the respective grant agreement!).

## 2.6.2 Award of implementing contracts (sub-contracting)

Procedures	Standard factual finding and basis for exception reporting
<p>Where the implementation contract(s) exceed(s) EUR 60,000:</p> <p>The audit certificate shall certify specifically that such contracts have been awarded in accordance with the provisions of Article I.9 of the Special Conditions (Additional provisions on award of contracts and subcontracting)</p>	<p>For each implementation contract exceeding EUR 60.000 the Auditor found that</p> <p>contracts were awarded in accordance with the provisions of Article II.9 and II.10 of the General Conditions (Award of contracts)</p>

**2.7 Verification of Revenues of the Action**

The Auditor verifies that revenues (including inter alia grants and funding received from other donors and revenue generated by the Beneficiary in the context of the action) have been appropriately allocated to the action subject of the Grant Agreement and correctly disclosed in the Final Financial Statement. As this engagement is not an audit the Auditor is not requested to assess the completeness of revenues.
